(Accredited by NAAC with Grade 'A')

Press Note

Applications are invited from eligible candidates on plain paper for ONE post of **Research Assistant** on the research project entitled "*Development of transition metal oxide based nanostructured materials as high-performance electrochemical supercapacitor for sustainable energy storage technology.*" sponsored by **Department of Science, Technology & Waste Management, Goa India**. The initial appointment is for a period of 12 months, starting from October 2022 to carry out research work in the group of **Dr. Pranay P. Morajkar, School of Chemical Sciences, Goa University**.

Eligibility:

M.Sc. (Chemistry, >60% Marks) and good research aptitude skills. Candidates may note that, in case of satisfactory performance, the initial appointment may get extended up to TWO more years, subjected to approval from funding agency.

Salary: Monthly emoluments for Research Assistant: Rs. 12,000/- consolidated.

Interested candidates may contact **Dr. Pranay P. Morajkar, Assistant Professor, School of Chemical Sciences, Goa University** via email at pranay@unigoa.ac.in, along with their application letter (attach self-attested Xerox copies of all mark-lists/certificates from SSC, HSSC, B.Sc. and M.Sc.) and may appear for the walk-in interview that will be held on **18/10/2022 at 11:00 am** onwards in the office of the **Dean, School of Chemical Sciences, Goa University**.

No TA/DA will be paid to the candidates appearing for the interview.
