### **EVENT POSTER**

#### **BIODATA OF RESOURCE PERSON**

Sharlaine Menezes, copy wizard at Orbis86, Bengaluru has emerged as a trailblazing force in rap, etching her name as the first female rapper from Goa to craft original tracks. Her musical odyssey commenced at the tender age of 4, resonating across the airwaves of All India Radio, and flourished through her notable achievements in piano, recognized by Trinity College London.

Her journey took an unforeseen trajectory, propelling her into the limelight through numerous victories in competitions and captivating performances, including notable appearances at events like the Northeast Futsal League. Noteworthy is her collaboration with a diverse spectrum of influential artists, from homegrown talents to international luminaries such as Tracy De Sa and Marc Legend.

Central to her creative ethos is steadfast advocacy for gender equality within the rap domain, underscored by her seminal paper presentation titled "A Study on Gender Dominance in the Field of Hip-Hop."

Her impact reverberates within artistic circles and across national media platforms, where she has been prominently featured, further amplifying her influence and message. Among her notable accolades is her selection as the sole Indian artist for the prestigious IBIS World Music Campaign 2020-21, a recognition bestowed upon her by the celebrated artist Pablo Vittar.
