Discipline of French and Francophone Studies, Shenoj Goembab School of Languages and Literature

Report on Participative Learning-Entretien d'Embauche

A mock interview was conducted for the students of TYBA French from the Discipline of French and Francophone Studies who have opted for the course Business Communication in French on 6th August 2024. Module 1 of the course is centered on looking out for job advertisements, drafting a cover letter in French and preparing a CV in French with the objective of applying for the job. The interview was coordinated by Ms. Kshama D. Dharwadkar.

The students were told to select job advertisements that they would possibly apply to in future. The students were required to analyse the requirements for the job opening and draft a cover letter (lettre de motivation) in line with that. The students when appearing for the mock interview were told to submit the CV and the cover letter. While answering the questions asked to them during the interview the students were expected to use the vocabulary that they had learnt previously in relation to job interviews in class. The interview was conducted by Ms. Shourya Dalvi, Assistant Professor in French.
