### School of Biological Sciences and Biotechnology

### Report on “Invited Lectures in Medical Microbiology”

<b>1. Title of the Event/Activity/program</b>	<b>The scientific basis of vaccination and the role of vaccines in infectious disease control</b>
<b>2. Date and Time</b>	<b>08th August, 2024 2:30 – 4:30 p.m.</b>
<b>3. Mode of conduct (Physical/Online)</b>	Physical
<b>4. School/ Directorate/ Section</b>	Microbiology, School of Biological Sciences and Biotechnology
<b>5. Collaborating Agency/School/Directorate</b>	Goa Medical College
<b>6. Detail of the Resource Person (Brief biodata)</b>	Dr. Jagadish A. Cacodcar, Professor and HoD, Community Medicine, Goa Medical College
<b>7. Number of Faculty attended/participated</b>	09
<b>8. Number of Student attended / participated</b>	80
<b>9. No. of external students/faculty/other participants</b>	Nil
<b>10. The objectives of the Program/activity/event</b>	To provide the M.Sc. Microbiology students with the opportunity to hear the perspective of an expert in the field of Medical Microbiology, to interact with the expert and nurture their interest in the field.
<b>11. Description of the Program/activity/event</b>	Dr. Jagadish Cacodcar, Professor and HoD, Community Medicine, Goa Medical College, enlightened the audience on the topic of vaccination, specifically covering the historical aspects and principles of

	vaccination; vaccine success stories, routinely available vaccines, recent advances and challenges in vaccine development.
<b>12. Benefit/Key outcomes of the Program/activity/event</b>	Through the lecture, the resource person provided the perspective of having worked at the ground level in the medical microbiology field, and added his personal experience to supplement the textbook knowledge of the students. The session was very informative, and students and faculty appreciated the opportunity to gain knowledge on the subject as well as to interact with the expert.
<b>13. Enclosures with report</b>	<ol style="list-style-type: none"> <li>1. Brochure</li> <li>2. Geo-tagged photos</li> <li>3. Attendance of students/faculty participants</li> <li>4. Letter of invitation to resource person</li> <li>5. Biodata of resource person</li> </ol>

# 1. Brochure of the event

GOA UNIVERSITY

Microbiology Programme

School of Biological Sciences & Biotechnology

**Invited Lecture in Medical Microbiology**

**Title: The scientific basis of vaccination and the role of vaccines in infectious disease control**

**Resource person: Dr. Jagadish A. Cacodcar**  
Professor and HoD, Community Medicine  
Goa Medical College

**Date: Thursday, 8th August, 2024**

**Time: 2:30 – 4:30 p.m.**

**Venue: Biotechnology Seminar Hall, Faculty Block E, Goa University**

## 2. Geo-tagged photos

i) Resource person for the event, Dr Jagadish Cacodcar, delivering the lecture

ii) Resource person delivering the lecture and interacting with the audience

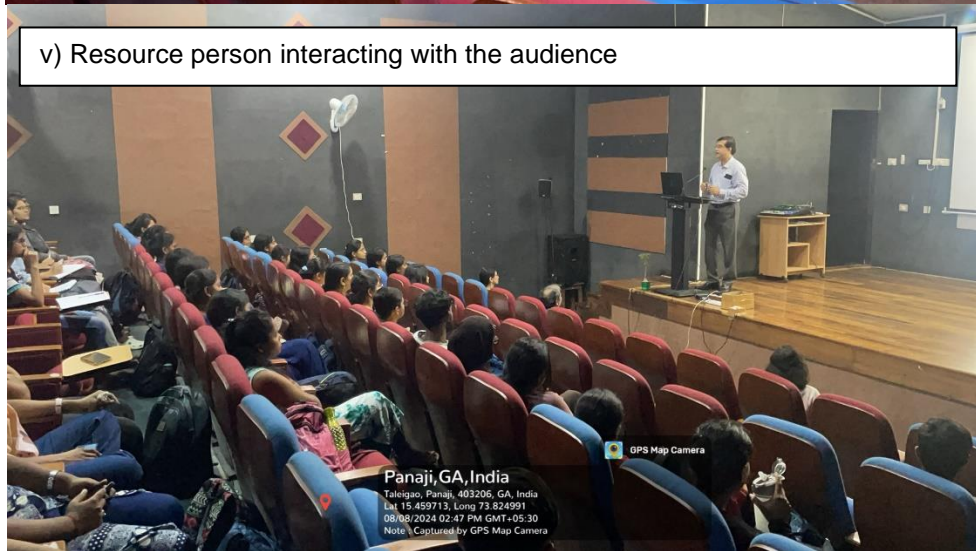

iii) Introduction to the speaker

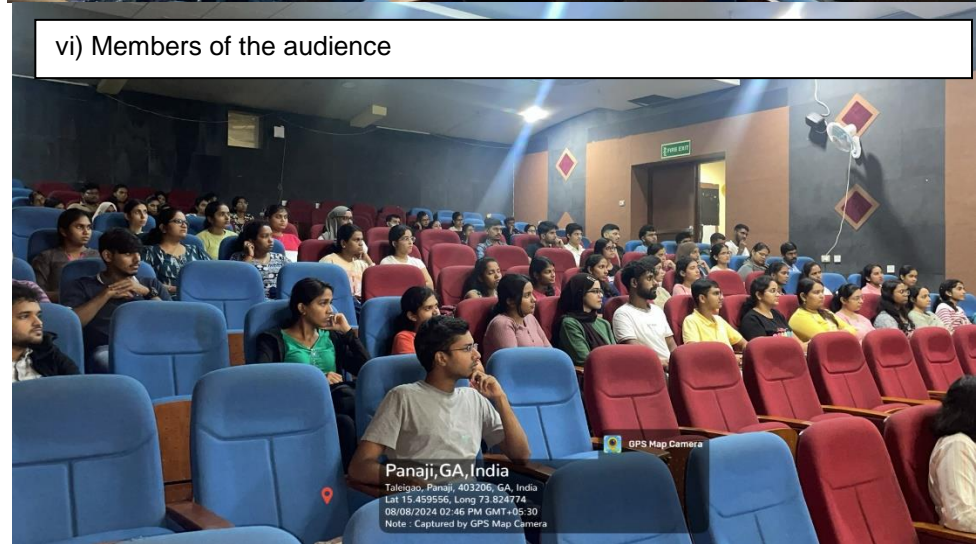

iv) Token of appreciation to the speaker

v) Resource person interacting with the audience

vi) Members of the audience

### LETTER OF INVITATION

Dear Dr. Jagadish Cacodcar,

On behalf of the faculty members of the Microbiology Programme, School of Biological Sciences and Biotechnology, Goa University, I invite you to deliver a guest lecture on the topic "The scientific basis of vaccination and the role of vaccines in infectious disease control", for the M.Sc. students of our school, on Thursday, 08th August, 2024, between 2:30 - 4:30 p.m. The students would greatly benefit from your knowledge and expertise in the field. We would be privileged if you accept the invitation.

Yours sincerely,

Dr. Lakshangy S. Charya  
Programme Director, Microbiology  
School of Biological Sciences and Biotechnology  
Goa University

Dr. Lakshangy S. Charya  
Assistant Professor  
Programme Director, Microbiology  
School of Biological Sciences and Biotechnology  
Goa University, Science Block E,  
Taleigao Plateau, Goa-403206

## 5. Biodata of resource person

Dr. Kakodkar is a distinguished resource person, trainer, and researcher with extensive contributions in his field. He has authored over 96 original research publications in national and international journals and serves on the editorial board of six esteemed journals. His leadership roles include past State President of the Indian Medical Association, Goa State, and he has been instrumental as a nodal officer for the Family Adoption Program as well as the Cancer Screening Abhiyaan through the mobile cancer detection van, which was featured in the news recently.

Dr. Kakodkar's commitment to service is reflected in his past as a Rotaractor from Curchorem and as a Group Study Exchange team member to North Carolina, USA, sponsored by the Rotary Club of Panaji MidTown. His excellence in the field has earned him numerous international, national, and state awards.

He has organized several significant conferences, with the latest being the 4th National EFICON 2023 at GMC. With a specialized focus on zoonoses, Dr. Kakodkar organized the APCRICON 2017 National Rabies Conference at GMC, hosting 550 delegates. His proactive involvement in Continuous Medical Education programs includes collaborating with the United States Agency for International Development on COVID-19 interventions. As a national-level trainer in rabies prevention, he has received training under renowned experts from NIMHANS and JJ Hospital Mumbai. Dr. Kakodkar's extensive experience and dedication make him a highly respected and sought-after resource person for lectures and training sessions.
