<b>10. The objectives of the Program/activity/event</b>	The objectives of the inter-sectional badminton tournament at a university school are varied. Firstly, it provides a platform for student-athletes to display their skills and compete at a high level while continuing their studies. These tournaments encourage teamwork, discipline, and leadership among the participants. Additionally, they enhance school spirit by bringing all students together. Such tournaments also act as a source of entertainment and help relieve stress for students. Overall, these tournaments aim to maintain a

	balance between academics and sports while promoting the personal growth of the students.
<b>11. Description of the Program/activity/event</b>	Four teams of 4 boys and 4 girls (minimum of 1 faculty or staff) — Organic, Physical, Analytical, and a combination of Inorganic and Biochemistry — participated in the SCS Inter-section Badminton Tournament 2024. In an exciting finale on the SCS grounds, the Analytical team emerged as the winner, demonstrating their determination and teamwork against the Inorganic team in the finals. They proved to be a formidable force, showing great skill and strength in the physical aspects of the game. The tournament continued for 5 days which was played at 4.30 pm to 5.30 pm every day.
<b>12. Benefit/Key outcomes of the Program/activity/event</b>	The badminton tournament brought about several important outcomes. Firstly, it promoted teamwork, sportsmanship, and physical fitness among the participants, creating a sense of companionship and healthy competition. Secondly, it highlighted the diverse skills and talents of the teams. Additionally, the tournament served as a source of entertainment, uniting the SCS community. Finally, the closely contested matches left a lasting impression, inspiring and motivating both players and spectators, and contributing to the overall enthusiasm and growth of the sport on campus.
