Dear Prof Vinay,

As discussed, please confirm the dates at the earliest. The following details are to be added in the proposal -

The Goa Free Knowledge program will be organised in association with Centre for Internet and Society, partner
organisation of Wikimedia Foundation. The facilitator is Subodh Kulkarni, Senior Program Officer

Objectives -
1. To create free knowledge on Wikimedia projects about the Freedom fighters in Goa, Monuments and heritage
places related to freedom struggle on the occasion of Azadi ka Amrit Mahotsav
2. To create QR codes for the dissemination of Freedom Struggle information to the wider public
3. To create list of reference resources related to history of Goa

Topics for the Two days Training workshop -

- Awareness about digital knowledge in Marathi, Open knowledge resources and Wikimedia projects
- Training of students in documentation and uploading on Wikimedia projects in the form of text, photos, videos
  and books
- To explain the History of Wiki Movement, Pillars of Wikipedia
- To train the participants in basic editing skills in Wikipedia
- To explore the ways to find reliable & verifiable references
- To explain - Copyright, Commons guidelines, Uploading images
- Engaging students in scanning of old documents, books
- Developing a database of all Goan authors and their works
- To discuss follow-up plan and integration with academic activities
- Documentation of Goa liberation struggle, local history, prominent places in the struggle
- These projects align with new education policy as students will become knowledge producers, not only
  consumers
- We will provide special certificates and gifts with official Wikimedia logo to good performers

Looking forward to meaningful collaboration,

regards,

Subodh Kulkarni
