#### Report

### **Outreach Activity - European Day of Languages 2024**

Each year on 26th September, the European Council marks the European Day of Languages to promote linguistic diversity, cultural exchange, and language learning across Europe.

The primary goals of this observance are to increase public awareness of the importance of language learning and linguistic diversity, expand the range of languages being studied, and enhance plurilingualism and intercultural understanding. Additionally, it seeks to celebrate Europe's rich linguistic and cultural heritage while encouraging lifelong language learning, both within and outside formal education.

Aligned with these objectives, individuals of all ages are encouraged to either take up a new language or take pride in their existing language skills. Those responsible for language education are urged to make learning more accessible and to support policy initiatives that promote the teaching of a broad range of languages. A particular focus is placed on learning languages other than English.

In keeping with these goals, the Discipline of French and Francophone Studies at Goa University organized a week-long outreach from 24th to 28th September 2024. The program was aimed at 11th and 12th-grade students learning French in higher secondary schools across Goa. Activities included a quiz focused on the French language as well as French and Francophone culture and civilization. The event sought to promote multilingualism, emphasize the role of French, and encourage the use of languages as a means of mediation. This initiative aligns with the broader aims of the European Day of Languages, fostering an appreciation for linguistic diversity and intercultural exchange.

The outreach program began on 24th September 2024, with the first event at Our Lady of The Rosary Higher Secondary School, Dona Paula. Ms. Jemima Fernandes, Asst. Prof. of French at Goa University, served as quizmaster, engaging the 11th and 12th-grade French students. The French teacher, Tr. Celia Da Costa, was also present. Fourteen students participated, and Ms. Fernandes was accompanied by Mr. Anthony Gomes, Asst. Prof. of French.

The second event was held on 25th September 2024 at St. Xavier's Higher Secondary School, Mapusa. The quiz was conducted by Ms. Kshama Dharwadkar, Asst. Prof. of French, with 61 students from the 11th and 12th grades participating. Tr. Elaine Da Costa, the French teacher,

was in attendance. Ms. Dharwadkar was assisted by Ms. Shourya Dalvi, Asst. Prof. of French.

On 27th September 2024, the third event took place at Don Bosco Higher Secondary School, Panjim. Mr. Anthony Gomes led the quiz, involving 70 French students. The French teacher, Tr. Josefa Pinto, was present. Mr. Gomes was joined by Ms. Dharwadkar and Ms. Fernandes, both Asst. Profs. of French.

The fourth event was organized on 28th September 2024 at G.V.M's SNJA Higher Secondary School, Ponda. Ms. Shourya Dalvi served as quizmaster for 25 students, with the French teacher, Tr. Zina Oommen, also in attendance. Ms. Dalvi was accompanied by Mr. Gomes.

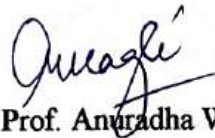

The final event of the week was held later the same day at Alliance Française, Panjim, where Mr. Gomes once again led the quiz. Tr. Magris D'Souza was present as 15 students participated. Ms. Dharwadkar accompanied Mr. Gomes.

Each session effectively promoted French language learning and cultural exchange, closely aligning with the objectives of the European Day of Languages. Participants gained deeper insights into the French language through the masterclass, which enriched their understanding of French grammar and culture. The quizzes helped students refine their language skills while exploring the importance of multilingualism in today's globalized world. Additionally, the multilingual competition fostered creative language use, blending students' knowledge of European languages with their native tongues.

A total of 185 students, along with 5 teachers from the participating institutions, took part in the event. Prizes for the competition were partly sponsored by the Quebec Government Office in Mumbai. The entire event was coordinated by Mr. Anthony Gomes, Asst. Prof. in the Discipline of French and Francophone Studies, Goa University.

## Selected Feedback from the participants 24 September 2024 - Our Lady of the Rosary Higher Secondary School, Dona Paula

Goa University  
Shriani Goemab School of Languages and Literature  
Discipline of French and Francophone Studies  
OUTREACH ACTIVITY : QUIZ - EUROPEAN DAY OF LANGUAGES 2024  
Name of the Institution: Our Lady of the Rosary H.S.S. Date: 24 Sept 2024

Participant Feedback

The Quiz was enjoyable, interactive for us students. The teachers made us feel comfortable, taught us stuff we didn't know about as in like extra knowledge of France.

Overall I have no negative comments since the whole quiz was organised very well.

I really liked the seminar, it was very informative and fun. My teacher in 8<sup>th</sup> std had informed us about the opportunities we would get if we did our BA or MA in Goa University. I wish I would get to go to France to teach English for a year.

Participant Feedback

It was a good experience. Instead of it being like a lecture, it was more of a participating session. It was also extremely informative. The speakers were involved and were quite positive and smiling all the time. The presentation was well done. I will be remembering a lot from this session over the years.

Participant Feedback

The trivia and grammar concepts were explained beautifully in a very creative and interactive way. The session was highly informative and I've learnt a lot. The slideshow prepared was really catchy and grasped your attention instantly. A really good initiative taker. Hoping for more such events in the future.

*Wonderful quiz!! I enjoyed the questions, even though I didn't participate. I also learnt quite a few pronunciations & was exposed to amazing info on France. Ever since I started learning French, I have always wanted to visit France. This session has given me more inspiration to do so!! Thank you very much!*

Participant Feedback

The quiz (Kahoot) was definitely a great way to enhance our language (vocabularies). Mr. Antonie, was great. He explained the rules as well as the reasons for correct answers of the quiz. We hope we have more of these kinds in future too.  
Thank you,

The session was refreshing and engaging. It's always fun to have such quizzes while learning a language. The best part was when we got to know some ~~new~~ information of how the syntax works and new phrases. Really insightful.

Professors Ekama and Anthony are genuine enthusiasts of the French language. The quiz was extremely informative and eye-opening to those who are new to language and even to those who are familiar with it. Had an amazing time! It increased my love and interest for French even more.
