The objective	The primary objective of the event is to engage students in French language improvement through immersive activities focused on the wildlife of African Francophone countries. The event provides a platform to enhance students' speaking skills,

	and increase awareness on the intricate connections between human communities and animals, appreciation of biodiversity.
Description of the activity	In this engaging series of sessions, participants explored animals from Francophone Africa through a variety of interactive activities that were group-based, engaging, and incorporated gamification elements. The SAFARI FRANCOPHONE sessions ended with an Animal/Jungle theme Escape Game, that was much appreciated by participants. Overall, the 4 day's activities promoted teamwork, creativity, and knowledge about animals and cultures.
Benefit/Key outcome of the event	<ul style="list-style-type: none"> ● Increased confidence and ease in speaking French among participants. ● Deepened understanding of wildlife in African Francophone countries. ● Improved language skills and knowledge about animal species and conservation. ● interactive discussions and enthusiastic participation in gamified elements. ● Development of skills involving problem-solving, cognitive thinking, and decision-making.

L'antelope est un animal sauvage de la savane aux cornes impressionnantes. Il est connu pour sa vitesse, son agilité et sa beauté. Il faut le protéger en raison de son importance écologique dans la gestion des pâturages, la dispersion des graines, la dynamique prédateur-proie et l'équilibre des écosystèmes.

En Russie, l'ours majestueux incarne la force, la résilience et la fierté nationale, représentant la wilderness et la détermination du pays. C'est un icône culturelle qui incarne la protection, la fertilité et la sagesse, inspirant les contes populaires et l'art.

La fourmi est un insecte que tout le monde connaît comme travailleuse, elle fait des économies, elle travaille dur (la fable de la fontaine)
