P R E F A C E

Goa University was established under the Goa University Act of 1984 (Act No. 7 of 1984) and commenced operations on 1st June, 1985. The University provides higher education in the Indian state of Goa. It is located on Taleigao Plateau overlooking Zuari estuary on a picturesque campus spread over 402 acres with state-of-the-art infrastructure such as faculty blocks, administrative building, library, sports facilities, student hostels, bank, post-office, staff quarters, etc. Campus-Wide Internet connectivity with strong bandwidth is available for all 24 hours a day.

The University took over the enhanced role of Centre of Post-Graduate Instruction and Research (CPIR) which was set after the liberation of Goa by India in December 1961, by the University of Bombay (now Mumbai), in June 1962. Since 1985 Goa University offers graduate and post-graduate studies and research Programmes.

Goa University is currently accredited by the National Assessment and Accreditation Council (NAAC) with B++ Grade in the 4th Cycle valid upto 26th December, 2027. The [National Institutional Ranking Framework \(NIRF\)](#) (an organ of Ministry of Human Resources and Development, Govt. of India) has currently ranked the University at Rank-band 101-150 and consistently participated in the 7th edition of NIRF ranking. [QS University rankings - a World University rankings agency](#) - has been ranked Goa University at 551-600 rank band in QS Asia Ranking 2023. While in Southern Asia, Goa University is ranked at 145 by QS Asia ranking. Goa University have been rated as “Very High” in 2023 in the Research output while it is listed among Top 73 % Universities in the QS Asia University rankings. The University is ranked 211 in Faculty to Student Ratio in 2023 in Asia. '[India Today](#)' ranked Goa University at 25th level among the General (Government) Universities in India while the '[The Week](#)' magazine ranked at 40th rank . Goa University is ranked at 35th by '[OUTLOOK ICARE Best University Ranking 2023](#)' among the Government Universities.

Over the past 37 years, the University has steadily expanded its reach, both in terms of the number of affiliated colleges - [professional](#) and [general education](#) numbering to 65, as well as the diversity of courses offered. These colleges offer various courses leading to a Degree at graduate, post-graduate level. Some of them are also recognized as research centres to offer Ph.D. Programmes. Over 30000 youth from all talukas of Goa are studying in affiliated colleges and over 2000 are enrolled for post-graduate Programmes at the University campus. The percentage of women (over 60%) outnumber men (about 40%).

The University, on its campus, has [ten Schools](#) which were formed by amalgamation of traditional Departments to allow the organic evolution of new courses in 2019-20. These Schools offers various Programmes leading to Undergraduate Degree (5), Master’s Degree (41) and Ph.D. Degree (35) in various disciplines. The University has made a significant impact at the national level in various areas of specialization and draws students in select disciplines from across the country. Geographically, Goa is located in an ecologically sensitive region along the Western Ghats and the Arabian Sea. Goa University has appropriately

emerged as an important resource centre for research in the field of flora and fauna endemic to this region, as well as the marine environment. The Ministry of Earth Sciences has recognized Goa University's significant contribution in this domain, as a consequence of which a Centre of Excellence was established in Marine Microbiology. The Schools at the University have developed excellent research facilities and the large funding for research is received from Central Government agencies such as University Grants Commission, Department of Science & Technology, Ministry of Earth Sciences, Ministry of Environmental Sciences and Climate Change, Department of Biotechnology, etc. For a relatively small university, Goa University attracts generous funding of research projects from national funding agencies which reflects upon the high quality of research undertaken by the faculty at the University.

The strength of the Goa University lies in the number of research publications and significant increase in h-index /i10 index. Goa University has so far published over 6000 research publications (including PhD theses) and the full-text of these are available at the unique [Publications Repository](#). There are very few state universities in India who have made such an effort in consolidating the information by creating institutional repository. There is a multi-fold increase in the visibility of the university with its publications on the repository. Current h-index as per the Web of Knowledge database from just 1998 journal publications out of 6000 is 76.

In addition to the conventional graduate and postgraduate Programmes, Goa University has also taken initiatives to provide innovative Programmes. Some noteworthy initiatives are the National Resource Centre in Marine Science under the Ministry of Human Resource Development (MHRD) for the professional development of higher education using the MOOCs platform SWAYAM, the State Resource Centre for Women funded by Ministry of Women and Child Development, Govt. of India as well as Dept. of Women and Child, Govt. of Goa, the Study India Programme with Nihon University of Japan, etc. Goa University launched the Visiting Research Professors Programme (VRPP) from the year 2013-14 to bring luminaries in the field of liberal arts & literature, social and natural sciences, and other fields. The visiting professors interact with students, deliver lectures, offer courses, and work on collaborative research projects, or stimulate the creation of art installations and music performances with faculty and students. These visiting professors are found to generate a creative environment in learning and contemporary knowledge production practices with their intellectual and aesthetic endeavours. The Programme is being supported by Directorate of Art and Culture, & Directorate of Higher Education, Government of Goa and open to the general public too. In addition, few of the chairs are funded by Private parties. University has switched over from earlier CBCS to NEP-2020 structure for PG from AY 2022-23 and for UG from AY 2023-24.

b) Introduction: Biotechnology

Since its inception in 1988, the M.Sc. Marine Biotechnology Programme has been funded by the Discipline of Biotechnology (Ministry of Science & Technology, Govt. of India, New Delhi), placing Goa University in an enviable position among the top DBT center for M.Sc. Biotechnology, on par with Universities such as Jawaharlal Nehru University, New Delhi, M.S. University, Baroda, Banaras Hindu University and the University of Pune, in terms of receiving continuous funding from the DBT for this M.Sc. Programme. Students taken in for the Programme are nationally selected through the GAT-B exam conducted by the National Testing Agency. Given its reputation and standard in producing world-class human resources in Biotechnology in India, the Discipline was among the few centers that have been identified for continued funding during the fifteen Finance Commissions. The students selected for the program receive a stipend of Rs. 5,000/-p.m. for the duration of the Programme.

The Discipline is one of the pioneers in Marine Biotechnology teaching and research in the country and since the year 2008 has had the added distinction of being DST-FIST sponsored. It had been granted a sum of Rs. 30 lakhs by the DBT, exclusively for the replacement of obsolete equipment.

The Discipline also conducts an M.Sc. Programme in Biotechnology for producing skilled manpower for the state of Goa. The students are selected through the GUART test conducted by Goa University.

The Discipline has excellent strengths that have been developed in the following thrust areas: Marine Viruses, the study of agarases, xylanases, lipases, cellulases, alginate lyases, amylases and proteases of special characteristics of commercial importance from marine microorganisms; biodiversity & ecology of hypersaline Actinomycetes and sulphate reducing bacteria; study of marine macroalgae for nutraceutical properties, isolation of lectins and biofuel, isolation of bioactive substances from plant extracts and marine sources; bioremediation of heavy metals by salt pan bacteria and their nanoparticles. Genomics and Proteomics of Marine bacteria.

c) Major facilities available in the Discipline:

PCR facility, UV- Vis Spectrophotometers, DNA/Protein Fluorometer, Walk-in-Cold Room facility, Cell disruption systems, Class II Biosafety Cabinet, Real-Time thermal cycler, Lyophilizer, Tissue Culture facility, Deep freezers (-20 & -80⁰ C), Fluorescence/Phase Contrast Microscope, Pilot-scale Fermenters, Ultrapure water system, Library, Computer Lab for Bioinformatics, High-speed Refrigerated Centrifuges, Ultracentrifuges, AKTA Protein purification system, ELISA Reader

d) DST/FIST/Any other:

The M. Sc Marine Biotechnology HRD program is supported by the Discipline of Biotechnology, Ministry of Science and Technology, New Delhi.

e) Placement Sources for the Students:

After completion of the M.Sc. program, most of the students pursue their PhD in National/ International research institutes. Several students are selected for the Biotechnology Industrial Training Program for on-the-job training. The students also find placement in pharmaceutical industries/ R & D laboratories and are employed as project trainees in several national laboratories.

f) Introduction: Botany

The Discipline offers postgraduate studies and research in Botany with thrust area in Plant Diversity (Algae, Fungi, Bryophytes, Pteridophytes and Higher Plants), Plant Molecular Biology & Genetic Engineering, Plant Tissue Culture, Mycorrhizal Research, Plant Developmental Biology, Plant Histochemistry, Rice grain biology, Bio-prospecting of medicinal plants and Plant Physiology. Discipline has active R & D collaborations with industries on wine technology, mushroom cultivation and categorical support from local industries and eco-resorts for hands on training and internship for bio-entrepreneurship and ecotourism courses and for consultancy on re-vegetation of mine wastelands. Novel AM fungal species have been identified and published from the State of Goa. Besides, the discipline houses an AM fungal culture collection. Several new genera and species have been published through biodiversity studies, a family has been added to the Indian flora, substantial work on endemic plants of Western Ghats and group specific taxonomic revisions have been carried out for higher plants.

Faculty members are part of several international, national and State level committees, reviewers of proposals and papers, and on editorial boards of several journals.

Significant achievements of the discipline

- State and national award-winning faculty and research scholars.
- With 526 research publications.
- Several Alumni are globally well placed in respectable positions.
- Acknowledged as an important center for Plant Science and Biodiversity studies in the Western Ghats and Western India.
- Excellent *ex situ* reference collection of Western Ghats plant herbarium and in-house fungus cultures.
- Substantial contributions to policy formulations at State and national level.
- Leading discipline in creation of ecological and environmental awareness.
- Supported for seven years by the Planning Commission of India for documenting plant and fungal biodiversity of the Western Ghats.

g) Major facilities available in the Discipline:

The Discipline is equipped with Student and Research microscopes with photographic facilities, fluorescence microscope, SEM, HPLC, UV-VIS spectrophotometer, FTIR, Chlorofluorometer, Lyophilizer, Rotary shakers, PCR, RT-PCR, Gel documentation system, Tissue culture laboratory, Laminar flow chambers, Digital and film cameras, Fungus culture collection center, Herbarium, Polyhouse, Botanical Garden for teaching and research. Botany discipline also subscribes front line national and foreign Journals in Botany. An exclusive computer laboratory with printing and scanning facilities, computers in each laboratory and class room all networked and connected to INTERNET.

h) DST/FIST/Any other:

Discipline was supported by DST- FIST two times and also supported by UGC SAP (DRS III).

i) Placement Sources for the Students:

Students of this Discipline are placed in various teaching institutes within Goa, National laboratories, Universities abroad and Industries.

j) Introduction: Microbiology

The Discipline of Microbiology, Goa University, was started in 1974 under the Centre of Post-Graduate Instruction & Research, affiliated to the University of Bombay. It became a full-fledged Discipline of the then newly founded Goa University in 1985.

The Discipline was initiated with a Post-Graduate Programme in Microbiology. A second Masters Programme in Marine Microbiology was started in June 2012, having been awarded the Programme by the University Grants Commission, Government of India, under the Innovative Programme for

'Teaching and Research in Interdisciplinary and Emerging Areas'. The Discipline introduced a Master's Programme in Biochemistry in June 2014.

The Discipline carries out research in thrust areas such as Molecular Microbiology, Marine Microbiology, Microbial Ecology, Environmental Microbiology, Genetic Engineering, Extremophilic Microorganisms and Microbial Bio prospecting for enzymes, antimicrobial metabolites and PHA, with the support of grants from UGC, DOD, DST, DBT, TERI.

a) Major Facilities Available in the Discipline:

High Pressure Liquid Chromatography; Lyophilisation Unit; Atomic Absorption Spectrophotometer; High speed and Cooling Centrifuges; Gel Electrophoretic units for protein/DNA, Fluorescent, Phase contrast and General Microscopy; Fluorescence and UV-Vis Spectrophotometer; Thermal Cycler; Gas Chromatography; UV Transilluminator; Millipore Ultra Filtration Unit; Water bath; Incubator-shakers; Spectrofluorometer; Rheometer; Fermenter; Oxygen Analyser; Gel Documentation Systems; SDS-PAGE & IEF System; Nanodrop spectrophotometer, PCR, Evaporator, Freezer (-20° C), Biosafety Cabinet; Anaerobic jars, Cold room.

b) DST/FIST/Any other:

The funding agencies include: UGC, DOD, DST, DBT, MoES, TERI.

The Discipline has received funding from DBT under the FIST Programme for strengthening of teaching and research in Microbiology. The Discipline was recognized by the MoES as a Centre of Excellence in Marine Microbiology in 2007. UGC supported an Advanced PG Diploma in Marine Microbiology and Technology as well as an innovative M.Sc. Marine Microbiology Programme.

c) Placement Sources for the Students:

Research Institutes (Disciplines of National/State Government, CSIR-National Institute of Oceanography, CCARI-Indian Council of Agricultural Research, National Centre for Polar and Ocean Research, Birla Institute of Technology and Sciences), colleges, food/pharmaceutical and aquaculture industries, diagnostic laboratories, etc.

k) Introduction: Zoology

DST-FIST/UGC-Special Assistance Programme (SAP) Sponsored Discipline

The Discipline offers Masters Programme in Zoology with an intent to develop aptitude for learning about Zoology and significance of fauna ranging from single cell to multicellular systems. Keeping in mind the Discipline thrust area "**Life processes, Aquaculture and Biodiversity**", the current Post graduation curriculum has been restructured. The new **M. Sc. Zoology** curriculum strikes a precise balance between the classical courses and modern biological courses and has been made to introduce and emphasize the skill based Programmes along with an Internship. Apart from the classical topics on Animal Sciences namely, Taxonomy and Systematics; Biodiversity; Anatomy of Non chordates and Chordates, this syllabus also covers topics on various aspects of Life Processes such as Animal Physiology, Endocrinology, Developmental Biology and Molecular Biology. The

restructured M. Sc. Zoology Programme also focuses on various application-based or skilled-based courses such as Fishery Sciences and Fish Farm Management, Food Processing, Environmental Physiology, Neurophysiology, Stem Cell Biology, Herpetology, Wildlife Biology and Ethology. The courses like Immunology, Cell Biology, Animal Genetics, Biological Techniques, Biostatistics and Vector Biology also represent this restructured syllabus. This Programme through the dissertation will also help the students to understand the basic principles of nature and will also provide scope for hands-on experience to experiment with nature /animals and thereby enable them to develop aptitude for research in various allied fields of animal sciences. This curriculum will also enable them to overcome several day-to-day problems faced by our society by providing them with some practical and effective solutions.

Faculty members are engaged in research on Nano-toxicology, Neurophysiology, Animal Physiology, Animal Cell Culture, Ornithology, Herpetology, Biodiversity, Ethology and Ecology Conservation Biology, Animal Biotechnology, Molecular Biology, Environmental Physiology, Toxicology, Genotoxicology, Fishery Science and Aquaculture. The **Ph.D. in Zoology** Programme offered is oriented towards these research specializations of faculty members.

The Zoology Discipline also offers a **Post Graduate Diploma in Clinical Genetics and Medical Laboratory Techniques**. Science graduates with either Zoology, Microbiology, Biotechnology, Chemistry/Biochemistry are eligible to apply for this program. Candidates should compulsorily obtain a minimum of 55% marks in the PGDMLT GU-ART conducted by Goa University. This Post graduate diploma consists of two semesters with four courses in Semesters I and II each followed by compulsory one-month hands-on training in each of the laboratories viz. Biochemistry, Blood Bank and Central Laboratory, Pathology and Microbiology in Goa Medical College/ Govt. Hospital. This Programme is offered in collaboration with Goa Medical College.

I) Major facilities available in the Discipline:

Laboratories:

The laboratories are designed to make it convenient for the students to work comfortably in the different research areas. The M. Sc. and PGCGDMLT laboratories facilitate the students to carry out their practical courses and dissertation work. The students get hands-on experience while working with instruments in the laboratory. The students perform different experiments in various subjects as per scheduled curriculum for developing research interest and skills. The various laboratories are M. Sc. Laboratory, PGCGDMLT Laboratory, Research Laboratory, Instrumentation Room, Optical Instrumentation Laboratory and Animal Tissue Culture Laboratory which cater to the research needs of students of the discipline.

The Research laboratory is also designed to promote an encouraging research environment and atmosphere for the Ph. D. as well as post-Doc Fellows to carry out their research work without any

distraction or disturbance and to promote research discussion. The Instrumentation and optical instrumentation laboratories are well established with sophisticated equipment to carry out the research activity for the researchers as well as faculty.

The Animal Tissue culture laboratory is designed in a way that facilitates the research in invertebrate and vertebrate cell culture like stem cells, neuronal cells, gills cells, mantle cells, siphon cells, macrophages, haemocytes etc. The establishment of primary cell cultures, cell lines, their characterization as well as development of cryopreservation methods are the outputs of this laboratory facility.

Instruments: The major instruments available in the Discipline are Spectro fluorophotometer, UV-Vis Spectrophotometer, Microplate reader Osmometer, RT-PCR, PCR, Ultracentrifuge, Cooling Centrifuge, Osmometer, Nanodrop spectrophotometer, Fluorescence Microscopes, Inverted Microscopes, Stereomicroscope, GC-MS, HPLC and Gel Doc system.

Museum Facility:

The museum maintains a wide variety of specimen collection belonging to different invertebrates to vertebrate phyla. The animal specimens from the museum are used by the students for detailed taxonomic studies. Major specimen collections in the museum incorporate representations of almost all phyla. Few Microscopic organisms along with various cytological and histological collections of permanent slides are also maintained and utilized as and when required for teaching- learning and research purposes. Specimens deposited by any persons from the road kill are also entered in the museum collection for their storage upon verification. Besides this we also have a good collection of skeletal structures and anatomical models of various vertebrates. Substantial collection of entomological specimens of Butterflies and Insects through dry preservation techniques is also a special attraction of our museum. Most of these collections represent the specimens that were collected by our own M. Sc. Students during their teaching/learning process and to promote research in the area of biodiversity and entomology. Constraints of the space availability does not allow us to display a full collection at a time but otherwise we do have a workbench to do the needful display as and when one wants to refer to our museum collection.

Computer laboratory: Computer laboratory is designed in a way to provide facility for M Sc. and Ph.D. students for referencing. The Goa University has access to some of the paid journals and sites so the students can take full advantage of it by accessing it. Students can also prepare their assignments and take the printouts whenever needed. This facility is also extended for their dissertation manuscript typing.

Animal House facility:

An animal house facility is available to be utilized for meeting the teaching and research demands

involving animal experimentation.

The Animal House Facility is registered with the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Ministry of Environment and Forests, Govt. of India (Reg. No: 2014/GO/Re/S/20/CPCSEA) and has an established Institutional Animal Ethics Committee (IAEC) that advises the students, teachers/researchers on facilities, policies and practices concerning the care and use of animals. All the experiments involving animals are approved by the IAEC which is constituted by CPCSEA. The IAEC meetings are held regularly to obtain ethical clearance for use of animals in academics and research. The facility maintains all relevant records to ensure compliance to the approvals granted by the committee and progress under each approved protocol is put up for review by IAEC regularly in each meeting. Structural Facility consists of a Quarantine Room, Mice/Rat Study Facility, Herpetofauna Facility, Aquaria rooms, Preparation room, Store area, washing area, large tanks for maintaining fishes and an Experimental laboratory. A visiting qualified veterinarian and regular caretaker staff are always at hand to monitor and maintain the animals that are brought to this facility to carry out research and keep it in accordance with the standards established by the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA). The CPCSEA has approved this facility for small animal Research for Education and research purposes. This Animal House facility is extended for PG students and faculty of various disciplines in Goa University so also the facility intends to extend its support to various undergraduate colleges affiliated to Goa University. Animal house facility was established at the Zoology Discipline of Goa University with the sole aim of promoting laboratory animal research. Here students will also learn the ethical treatment of animals.

m) DST/FIST/Any other:

The Discipline received support from DST- FIST (two times) and UGC-SAP grants.

n) Placement Sources for the Students:

Placement of students is marked by a good number of PGs being placed as lecturers/ teachers in Degree colleges, Higher Secondaries and the Schools. A sizable number find placements as RAs, Research Fellows, Project Assistants or Documentation assistants in National Institutes such as NIO, ICAR Complex, Zonal establishment of Fisheries Survey of India etc. PGDCG & MLTs find placements in Pathology Labs in Govt. and private sectors in the country and abroad.

o) Any other information:

Discipline organizes various subject related student-centric activities/competitions and cultural events like photography, poster making, group discussions, sports events etc.

SCHOOL OF CHEMICAL SCIENCES

<p>Dean</p>  <p>Shet Verenkar, Vidhyadatta M.</p>	<p>Vice-Dean: Academic</p>  <p>Dhuri, Sunder N.</p>
<p>Vice-Dean: Research</p>  <p>Shinkre, Bidhan A.</p>	<p>Programme Director: Chemistry</p>  <p>Patre, Rupesh E.</p>
<p>Programme Director: Biochemistry</p>  <p>Torney, Prachi S.</p>	

The School of Chemical Sciences comprises of the following five Programmes:

- 1) Chemistry
 - i) Analytical Chemistry
 - ii) Inorganic Chemistry
 - iii) Organic Chemistry
 - iv) Physical Chemistry
- 2) Biochemistry

a) Programmes offered and number of student intake:

Discipline	Programmes Offered	Intake
(Established Year: 2019) Formerly Department of Chemistry, Established: 1966 (CPIR) Codes: CHC	M.Sc. Chemistry	
Codes: CHA	Analytical Chemistry	25
Codes: CHI	Inorganic Chemistry	25
Codes: CHO	Organic Chemistry	25
Codes: CHP	Physical Chemistry	25
Established: 2014, Code: CHB	M.Sc. Biochemistry	25
	Ph.D. in Chemistry, Biochemistry.	

b) Introduction:

i) Introduction: Chemistry

The School offers two year M.Sc. (80 credits) program in Organic, Physical, Inorganic, Analytical Chemistry which includes a 16 credit dissertation course. The research work leading to Ph.D. Degree in the above subjects encompasses various domains of chemical research with emphasis on synthesis of natural products, developments of reagents for organic synthesis, synthesis and application of polymers and nanocomposites, synthesis of pure and mixed metal oxide nanoparticles quantum dots and study of their solid-state properties as well as applications such as gas sensors, supercapacitors and catalysts. The research extends further into computational and theoretical chemistry, bioinorganic, biomimetic and bioinspired chemistry, structural chemistry, homogenous catalysis, coordination polymers and metal organic frameworks, design of heme and non-heme ligands, development of catalysts/ electrocatalysts and their use in kinetics evaluation for various fundamental processes related to energy and environment.

ii) Introduction: Biochemistry

The School offers two year M.Sc. (80 credits) program in Biochemistry which includes a 16 credit dissertation course. The SCS also offers Ph.D. in Biochemistry in research topics such as Probiotics, Endophytic research, Bioprospecting, Bio-analytical Chemistry, Environmental Microbiology,

Biochemistry, Bioremediation, Biodegradation, Mineralisation studies, Nanobioremediation Biosensing, Biocatalysis and Food Waste Management. The similar topics are also available for students under Biochemistry dissertation.

b) Major facilities available in the School:

Instrumental Facilities: NMR spectrophotometer (400 MHz), BRUKER AXS D8 QUEST ECO Single Crystal XRD, Liquid Chromatography Mass Spectrometer (LC-MS), Atomic Force Microscope (AFM), Vibrating Sample Magnetometer (VSM), Automated Gas Sorption Analyzer (BET), Thermal Analyzers (TG/DTA/DSC), Electrochemical Workstation, Gel permeation chromatograph, Infra Red, IR, UV-Vis., Raman & Photo-Luminescence (PL) Spectrometers, Cryostat for UV-Vis studies, Atomic Emission Spectrometer (AES), CHNS Analyzer, High-performance liquid chromatograph (HPLC), Flash chromatograph, Gas Chromatograph (GC), Ball Mill, LCQR meter, Keithley Electrometers, Automated high temperature A.C. Susceptibility and Resistivity set ups etc.

c) DST/FIST/Any other:

School of Chemical Sciences: Formerly Discipline of Chemistry is supported by DST-FIST and UGC-SAP (DSA – I) programs. School of Chemical Science faculty has funded projects from DST, CSIR, UGC, BRNS, AERB etc.

d) Placement/progression Sources for the Students:

Students after completing their M.Sc. in Chemistry/Biochemistry are absorbed in different types of Industries including the ones having R & D program, academic institutions, and Government jobs in Discipline such as FDA, GSPCB, Forensic Science Lab, Hospitals, Patho labs etc. Students also join for higher studies (Ph.D.) or professional courses (B.Ed.) after completion of M.Sc. The Ph.D. Degree holders find the positions in Industries as Managers and in R & D as research scientists, in academic institutions as Asst. Professors, and in foreign Universities as Post-Doctoral Fellows.

e) School of Chemical Sciences has a vibrant Alumni Association formed in February 2006 with the name “Chemistry Discipline Faculty and Alumni Association (CDFAA)” which is involved in conducting various Programmes in association with the School of Chemical Sciences, Goa University besides helping financially “Economically Backward Needy Meritorious Students” pursuing their post-graduation in Chemistry/Biochemistry at the School of Chemical Sciences, Goa University. CDFAA organizes annually a reunion of M.Sc. students, 25 years after their post-graduation. It also annually organizes inter-collegiate research project competition on the topic ‘Fascinating world of chemical sciences’ and awards the best researcher prize every year to the University and College teachers for their excellent performance in research (in chemistry) during that year. CDFAA felicitates our alumni who clear CSIR-NET-JRF examination during its annual GB meet.

SCS organizes state/national/international level symposium, conferences, workshops /meetings in collaboration with CDFAA. SCS faculty has national and international collaborations in research activities.

1. **History**
2. **Political Science**
3. **Sociology**
4. **Women's Studies**
5. **Social Work**

a) Programmes offered and student intake:

b) Introduction: History

Maritime history and Indo-Portuguese history are the thrust areas of the Programme. However, the Programme also offers courses in general aspects of ancient, medieval and modern Indian history, apart from the history of Goa. In this way, an attempt is made to provide varied options to the students so that they obtain knowledge in varied subjects, thereby enabling them to compete with the students of other universities. The Programme offers varied courses on such areas as maritime history, history of Portuguese colonialism, ancient and medieval Goa, ancient, medieval and modern India, urbanization, oral history, museology, environmental history of India, history and theory, research methodology, tourism studies, Marathas, West Asia, and Africa. Apart from classroom teaching, the Programme also conducts field trips by taking students to the Goa Archives, Museums, and environmentally significant regions of Goa. The Programme organises seminars every year and encourages the research scholars and post graduate students to attend the same, thereby enhancing their knowledge base. The Programme also organises lectures by visiting research scholars and professors.

c) Major Facilities Available in the Programmes:

The students of History programme have access to the large collection of books and journals of the Goa University Library. The Goa University library comprises Pissurlencar collections and Nuno Gonsalves collections, which comprise valuable primary and secondary sources, which can be used by the students.

The programme has set up a computer lab with Internet connection maintained by the Computer Centre of Goa University. Students of the Programme can also use the common computer facility for the School.

The classrooms of the Programme are equipped with LCD facility which enables the faculty and the students to use audio and video resources available in the web-based channels such as vvas, youtube, swayam etc. In one class room there is a television set, which can be connected to laptop by using the HDMI cable. Apart from these facilities, the classroom has uninterrupted power supply through Inverters. The classrooms are also fully air conditioned.

d) Introduction: Political Science

The Political Science Programme seeks to empower students with the knowledge of both the theory and practices of politics by relating it to the local, national and the global landscape over the two years Masters Programme. It seeks to constantly innovate teaching and learning methodologies to equip the students for a better future career. The Programme has made significant contributions in the area of Decentralized Governance, South Asia, Democratic Politics and Goa's Politics. The teaching program and curriculum is regularly updated and reflects the core competencies of the faculty members.

a) Major Facilities available in the Programmes:

The Programme has a Resource Room consisting of periodicals and books donated by the alumni and faculty members. It also has well equipped class rooms with audio-video and ICT facility for conducting classes, small workshops and meetings.

b) Placement Sources for the Students:

Affiliated colleges, Media Outlets, Government Discipline and Non-Governmental Organizations. Governor of Goa and Chancellor of Goa University, Chief Electoral Officer, Goa and Goa Institute of Public Administration and Rural Development.

e) Introduction: Sociology

The teaching Programme in Sociology blends classical foundations with contemporary developments and debates. Substantively, moving beyond its disciplinary confines, the Programme seeks to promote teaching and research on contemporary Goa. At the Master's level, the Programme promotes fieldwork-based assignments and dissertations. Towards this end, it holds an annual Research Methodology Training camp. Students are encouraged to participate and present papers in conferences and seminars.

f) Introduction: Library Science

The Library and Information Science Programme aims to train students in latest developments in Library Science.

g) Major facilities available in the Programmes:

The Programme has a computer laboratory consisting of 15 computers installed with latest library science software for study. Further the Programme utilises the University Library for hands on practice/experience for all practical and learning purpose. The Programme uses modern electronic gadgets for teaching and learning.

h) Placement Sources for the Students:

The students of the Programme are employed in different sectors such as education, research, government and non-governmental organizations.

The School of Earth, Ocean and Atmospheric Sciences comprises of five programs:

1. Applied Geology
2. Marine Sciences
3. Marine Microbiology
4. Environmental Science

a. Programs offered and Number of Student intake:

Discipline	Programmes Offered	Intake
(Established : 1986) Code: GEO	M.Sc. Applied Geology	31
(Established : 1986) Code: MSC	M.Sc. Marine Sciences	31
(Established : 2012) Code: MMI	M.Sc. Marine Microbiology	25
(Established : 2021) Code: ENV	M.Sc. Environmental Science	31
(Established : 2021) Code: ENV	M.A. Environmental Science	
	Ph.D. in Marine Sciences, Earth Science & Marine Microbiology	

b. Introduction:

1) Introduction: Applied Geology

The M.Sc. Applied Geology program involves advanced training in subjects and builds upon the foundation laid at the Bachelor's level. The focus is on building a strong theoretical and practical framework to enable students to tackle routine work in the industry as well as to take initiative in challenging new areas. Accordingly the Master's program includes fundamental courses such as Mineralogy, Geochemistry, Structural Geology, Sedimentology, Igneous Petrology, Metamorphic Petrology, Economic Geology, Stratigraphy and Indian Geology, as well as courses related to practical aspects such as Remote Sensing, GIS, Petroleum Geology, Mining Geology, Groundwater Geology, Exploration Geophysics, Statistical Geology. The coursework is aided by introduction to computer applications in various fields. Some of the computer tools that the students are introduced to during the period of their coursework include Surfer, Strater, Rockware, Surpac, ArcGIS, IDIRSI, SteroNett, ERDAS, etc. apart from other software not explicitly related to the core subjects. As a supplement to the various theoretical courses, the students are also given an opportunity to work in the field. There are two educational field related courses in the 2nd and 4th semesters respectively, apart from the practical industry training in mining or petroleum related industries at the end of the 2nd semester. The majority of the students over the years have been placed in mining and oil companies through regular counseling and campus placements. All the core and elective, optional courses included in the programs have been specifically designed to meet industry standards and research requirements. The close links that this program enjoys with the industry (particularly Mining & Mineral) and research organizations, have worked towards elevating the level and quality of studies and facilities. The program also works towards reaching the general public under outreach programs for creating

awareness in conservation and management of natural resources. The Discipline has been actively involved in several international programs (UNIGIS Distance Learning in GIS, International Earth Science Olympiad, etc.) Research opportunities (Ph. D) for advanced study are offered under the Earth Science Program which has resulted in good publications in top notch journals and has given good visibility to the program of the School. The Geology Museum hosts representative samples covering most of the Peninsular India lithotypes as well as minerals, ores and fossils.

2) Introduction: Marine Sciences

The Discipline of Marine Sciences, Goa University, was established in the year 1985 and has grown to become a multidisciplinary School focusing on post graduate teaching and research in different branches of Marine Sciences, namely Physical Oceanography, Marine Chemistry, Marine Biology and Marine Geology. Marine Sciences program admits students from a wide background of bachelor Degree, such as Mathematics, Physics, Electronics, Computer Science, IT, Chemistry, Industrial Chemistry, Analytical Chemistry, Pharmaceutical Chemistry, Zoology, Botany, Microbiology, Biotechnology, Biosciences, Fisheries, Aquatic Science, Earth Sciences, and Geology. The Marine Sciences program is nationally recognized as National Resource Center in Marine Sciences. Since 2010, the program offers Choice Based Credit System (CBCS) giving an option to the students to choose her/his optional courses. Onboard ship training for a period of 15 to 20 days is a compulsory component of the course. This is in addition to the regular field surveys of coastal zone and estuarine waters.

3) Introduction: Marine Microbiology

This Program was initiated in June 2012, under the award of UGC sponsored 'Innovative Program for teaching and research in interdisciplinary and emerging areas'. The Program is meant for students to pursue higher studies in Marine Microbiology. Being a university in coastal state of India, Goa University provides a strategic advantage in learning Microbiology of marine and coastal ecosystems. It serves to impart advanced training to students in the field of Marine Microbiology with focus on marine microbial diversity, bio-prospecting and applications of marine microbes in the production of various biologically significant metabolites; and in bioremediation of polluted environments. Students undergo hands-on training with state-of the art technologies and are trained so as to develop an aptitude for independent research. The Program equips students for higher research leading to the Ph.D. Degree in India or in International Universities overseas, or for employment in Research Institutes, in teaching, and in Industry, the students finding speedy employment.

4) Introduction: M.Sc. Environmental Science/ M.A. Environmental Science

Environmental science has conventionally studied physical, chemical and biological processes in the Earth system (Lithosphere, hydrosphere, atmosphere and cryosphere). It now incorporates nature-human interactions and the social, political and cultural processes which impact the planet. The

anthropogenic pressures on the ecological processes have forced disciplinary boundaries to merge and a student of environmental science must understand the complex relationships that drive nature-human interactions. Sustainability is one of the grand challenges that human survival faces on planet Earth. This program was initiated from AY 2021-22 and has been conceived as a multidisciplinary program which will teach students how to combine skills and knowledge from a variety of domains. It will allow students to explore courses from a large number of disciplines and skill themselves in a manner that they feel best suits them for their knowledge pursuits. The program will provide a holistic approach to understand environmental issues and undertake environmental impact assessments with diverse perspectives, frameworks and using multiple data sources. All students will undertake fieldwork and laboratory work to experience different habitats, climates, land formations and social structures.

c. Facilities available in the School:

School is equipped with various instrumental facilities which include Nikon Eclipse Ti-S Epifluorescence microscope, Olympus IX51 Fluorescence microscope, Folsom splitter, Echo sounder, Ekman Grab, Petersens Grab, Koltwiz chamber, Flow meter, Niskin Sampler, Laminar Air Flow Unit (LAF), Satlantic Radiometer, Absorption and attenuation instrument (Ac-9), WetSTAR CDOM fluorometer, Three angle back-scattering meter, Automatic Weather station, Multiwavelength Radiometer for *in-situ* generation of aerosol, Aethalometer, Cooling Centrifuge, Orbital shaking incubators, Deep freezers, TOC Analyzer (Shimadzu), Flame and Graphite AAS (Thermo Scientific) ICE 3500, Spectrophotometer (UV-1800), Sunphotometer, Hot air oven, MilliQ Water System, Autoclave, Meteorological tower with sensors, Fluorometer, Quartz Crystal Microbalance (QCM), Conductivity Temperature Depth measuring instrument (CTD), Ice flaking machine, UV transilluminator, Electrophoretic units, Probe sonicator, psychrometer, computational laboratory, Centrifugation unit.

d. DST/FIST/ Any other:

Marine Science program DST-FIST (2015 – 2020)

Applied Geology, UGC - SAP (2013 – 2018)

e. Placement Sources for the Students:

Teaching: Goa University, St. Xavier's College, Dhempe College, Government College of Sanquelim, Government College of Arts, Science and Commerce, Khandola, Parvatibai Chowgule College, Dnyanprassarak Mandal's College and Research Centre.

Research: CSIR-NIO, NCPOR, INCOIS, IISc, IITs, CMLRE, NISCAIR, MoES, Geological Society of India, NGOs, Directorate of Fisheries, Goa University, Goa Govt. DST- Goa, GSPCB-Goa, Food and Drug Administration (FDA), Curtin University (Australia), University of Southampton (UK).

Mining industries: Fomento, Vedanta, Arcelor Mittal, JSW Steel, Tata Steel, Total Energies, Schlumberger Ltd, Halliburton, Weatherford International, Geolog, ONGC, Consultancies.

Other companies: Navionics technologies, H&P technologies, Terra Hydrotech. Dilip Buildcon, Fugro, L&T, Cybertech, Unichem Laboratories Limited, MolBio Diagnostics, Indoco Remedies, Maka Di Brewery.

a) Introduction:

Goa Business School (GBS) was established in April 2019 by amalgamating the former Departments of Commerce, Computer Science & Technology, Economics and Management Studies. The School offers multiple choices to students in the form of UG, PG and Integrated Programmes. The interdisciplinary nature of the School allows students to choose from a multiple set of courses across Programmes so that they can pursue their varied interests based on their own individual interests.

b) Programmes Offered:

- 1) Commerce**
- 2) Economics**
- 3) Hospitality, Travel and Tourism**
- 4) Management**
- 5) Financial Services**
- 6) Computer Science and Technology**
- 7) Library & Information Science**

- 8) **Ph. D Programmes**
- Commerce
 - Computer Science and Technology
 - Economics
 - Management Studies

Major Facilities available in the School:

A) Well-established Exchange Program with institutions in Germany

B) Modern Computer Lab with

- licensed Statistical Data Analysis Software like MATLAB, Eviews, Statcraft, among others
- campus wide access to CMIE- PROWESS and M&A, EPWRF, India stat,
- Modern computer labs with over 130 desktops that allows students to simultaneously work on MS Windows / Linux platforms
- latest versions of development tools and application platforms such as Oracle, Eclipse, Visual Studio, CASE Tools, Rational Suite, Internet Information Server (IIS).

- Subscription to the Microsoft Dream Spark Programme which provides legal copies of all Microsoft software available on workstation and Server platforms.
- Emphasis on use of Open Source software

b) Placement Support

The School offers wide ranging support to students seeking placements in all Programmes both through the University’s umbrella Directorate of Student Placement and Alumni Relations (DSPAR) as well as School level efforts. The School has a vibrant and well-placed alumni network that also helps students find employment and entrepreneurship opportunities.

	Certificate of Proficiency in Japanese Language – (A1 KATSUDO and A-1 RIKAI)	

a) **Introduction: International Studies**

The MA International Studies Programme is the flagship offering of the School of International and Area Studies, having been in pedagogic vogue, for two decades and more. The MA Programme which is a full-time Two years (four Semesters) Degree, involves interdisciplinary instruction and attendant research, drawing on perspectives specific to the emergent discipline of International Relations, but also from International Politics, Economics, History, Law, and Security and Strategic Studies, with a view to offering students a holistic and integrated understanding of the rudiments, as also the nuances and intricacies, of the field of International Affairs. The Programme is particularly attractive on account of the wide spread of Optional Courses on offer, beholding deeper insights into thematic subjects and topical regional dynamics, alike. The Syllabi of the MA Programme tends to be revised and updated pursuant to changing trends, once every three to four years. The SIAS has lately been endeavouring to integrate linguistic teaching with instruction on International Relations and hence has offered Spanish and Japanese languages, as ‘Certificate of Proficiency’ Programmes. Students undertaking the MA International Studies Programme have undertaken internship stints both during and after their Degree

Programme, at Government and private think tanks across the country, such as at the Institute for Chinese Studies (ICS) New Delhi, and at COVINTS, Bengaluru.

b) Major facilities available in the School:

The School of International and Area Studies, has a separate building to itself on Campus, within which, all its academic Programmes, are housed. The SIAS building, boasts individual classrooms, well equipped with the latest higher education pertinent ICT instrumentation, including fair number of computers within a dedicated Computer cum Language Lab Room, as also upgraded furniture and fixtures, all of which serves to qualitatively enhance the teaching-learning process.

MANOHAR PARRIKAR SCHOOL OF LAW, GOVERNANCE & PUBLIC POLICY

<p>Dean</p>  <p>Gad, Rajendra S.</p>	<p>Programme Director-Public Administration</p>  <p>Shringare, Alaknanda</p>
<p>Programme Director-Law</p>  <p>Rane, Vaibhavi</p>	

Manohar Parrikar School of Law, Governance & Public Policy currently comprises the following fields of study:

1. Public Administration
2. Law

a) Programmes offered and Student intake:

Discipline	Programmes Offered	Intake
Established: 2023 Code: PAD	Master of Arts in Public Administration	19
Established: 2023 Code: LLM	Master of Laws (LLM)	19

b) Introduction: Law

The Manohar Parrikar School of Law, Governance and Public Policy encompasses the disciplines of Women's Studies, Social Work, Law, Public Administration, Tribal Studies and Disability Studies. The Chhatrapati Shivaji Maharaj Chair in Leadership and Governance is also associated with this School.

There are two distinct reasons for the establishment of the Manohar Parrikar School of Law, Governance and Public Policy in the Goa University. The first is to create within the only public University of the State a living memorial of Shri Manohar Parrikar, our late Chief Minister whose

immense contributions to the people-centric public policies are widely recognised and celebrated. The School is named in the memory of a national leader who was widely recognised for his commitment to good and effective governance and popular public outreach. The second reason is to create an academic entity within Goa University that will conduct policy-relevant research and offer advanced Programmes in applied social sciences, thereby contributing to the creation of a well-trained cadre of public policy professionals in the State.

Goa stands at a very interesting intersection with multiple claims on development, local aspirations and public policies. The state needs well designed research on environmental development for which effective formulation and implementation of public policies are the most important to make public administration and governance more effective and adaptive to the new demands and challenges. Goa University seeks to contribute by establishing an academic entity for research and training in the areas of public policy, administration and governance which can assist legislators, officials and public servants at all levels in the performance of their duties. The Manohar Parrikar School will act as a knowledge hub, where public policy experts, practitioners and members of the wider public will get a chance to deliberate on ideas of good governance and to carry out research.

All the Programmes in Manohar Parrikar School are designed to facilitate critical thinking, develop new knowledge, with a commitment to social change. We strive to use new and inclusive methods of knowledge production in our efforts to bridge theory and practice. The Programmes aim at developing the research capacities in students to engage academically and practically with social realities. The pedagogy includes extension activities, hands on training, research, documentation, advocacy and field action within the wider community, while networking with organizations committed to social empowerment at the state, national and international arenas.

Other Programmes that we hope to offer in the Manohar Parrikar School soon include: MA Rural Development, BSW, and BA Women's Studies.

The School works closely with various stakeholders including Government and civil society organizations on advocacy, research and extension activities for social empowerment. The School has played an instrumental role in the setting up of the Women's Cell in the Police Headquarters, the 181 Helpline service for women, Goa State Women's Commission and the Goa State Resource Centre for Women. Students who are trained in Women's Studies can contribute to any organization working for women, or on human rights, media, environment or development.

c) Placement Sources for the Students:

Government Disciplines including Discipline of Women and Child Development, Government outreach projects, NGOs, Colleges, Schools, Research, CSR, media etc.

d) Varied teaching and learning tools are used such as digital storytelling, films, group discussions, field trips, role-play, reading clubs, film festivals and campaigns. All lecture presentations are circulated. Field realities are brought into the classroom through field placements and students are encouraged

to engage with the community. Local experts are also invited to the classroom to share their experiences.

SCHOOL OF PHYSICAL & APPLIED SCIENCES

<p>Dean</p>  <p>Pai, Ramesh V.</p>	<p>Vice-Dean, Academic</p>  <p>Parab, Jivan S.</p>
<p>Vice-Dean, Research</p>  <p>Gad, Rajendra S.</p>	<p>Programme Director, Physics</p>  <p>Hathwar Venkatesha R.</p>
<p>Programme Director, Electronics</p>  <p>Vetrekar Narayan T.</p>	<p>Programme Director, Mathematics</p>  <p>Kunhanandan, Mailattu</p>
<p>Programme Director, B. Vocational</p>  <p>Sequeira, Marlon Darius</p>	

The School of Physical and Applied Sciences comprises of four Programmes:

1. Electronics
2. Physics
3. Mathematics
4. B. Vocational in Electronics, Instrumentation and Computer Networking

a) Programmes offered and student intake:

b) Introduction:

a) Programmes offered and student intake:

Discipline	Programmes Offered	Intake
Formerly Department of Physics, Established: 1963 (CPIR) School of Physical and Applied Sciences Established Year: 2020 Code: PHY	M.Sc. Physics	50
Code: ELE	M.Sc. Electronics	19
Code: MAT	M.Sc. Mathematics	38
	B.Voc. Electronics, Instrumentation and Computer Networking	15
	Ph.D. in Physics, Electronics & Mathematics	

The School offers two year M.Sc. (80 credits) and Ph. D Programmes in Physics, Electronics and Mathematics and B. Voc. Programmes in **Electronics, Instrumentation and Computer Networking**.

b) Introduction: Physics

It has well-equipped teaching laboratories with novel experiments in Physics. Students are oriented in using modern laboratory techniques as well as estimating uncertainties in measured and derived quantities.

The thrust area of research is experimental and theoretical Condensed Matter Physics. The faculty are actively involved in studying structural, magnetic, optical and transport properties of different types of materials ranging from glass and glass ceramics, nano materials and nano structures, luminescent materials, magnetic shape-memory alloys, superconductors, electrocatalysts, energy storage materials etc. to understand the underlying basic physical mechanism as well as to develop new materials for applications. Some efforts are also concentrated on understanding quantum phase transitions in Bosonic systems.

Over the years it has established state of the art characterization facilities through individual research grants from national funding agencies like DST-SERB, CSIR, BRNS, etc., and assistance through DST-FIST and UGC-SAP. This has resulted in 37 PhD thesis, over 250 research articles in national and international journals of high repute and several hundred national and international conference

presentations. Recently faculty members of this School and School of Chemical Sciences have established a state of the art, laboratory for Materials characterization under RUSA 2.0.

Faculty members have also established strong national and international collaborations with peers in leading Universities and Institutions and successfully completed international collaboration projects.

The several National and International Conferences, Symposia and Meetings attracting internationally renowned scholars in the subject are 71rganized. For the benefit of its research student workshops and courses like the GIAN, DST-SERB School Courses are conducted regularly.

c) Introduction: Electronics

A candidate eligible for admission to a program leading to the Degree of Master of Science in Electronics must have passed the examination of the Degree of Bachelor of Science with Physics/Computer Science/ Electronics of this University or from any other recognized University.

The thrust area of the master program is embedded system, supported by the UGC under innovative program. Summer Internship as well as industry associated minor and major projects are highlights of this program. It has projects in the areas of Biometrics, Hyper Spectral Imaging, Data Communications System, Biomedical, Agricultural Electronics.

d) Introduction: Mathematics

The post-graduate Programme in Mathematics is oriented towards research in Topology, Knot Theory, Differential Equations, Operator Theory, Mathematical Physics, Lie Algebra Functional Analysis, Number Theory and Combinatorics.

e) Introduction: B.Voc. in Electronics, Instrumentation and Computer Networking

The Programme is based on National Skills Qualifications Framework (NSQF), an initiative by Ministry of Human Resource Development (MHRD), Government of India to develop skills and knowledge among the students in alignment with the needs of industry as a part of driving economic growth and social development of the country.

The curriculum designed is in consultation with the Industry partner D-Link India Ltd. And Electronics Sector Skill Council. Specifically, it includes Basics of Electronics, Repair and maintenance of Electronic appliances and Gadgets, Industrial Instrumentation, Computer maintenance and troubleshooting, Computer Networking, Web technology, Robotics, Internship, and Field Trips.

This is a Skill-based program that offers the job roles such as Field Technician, Service Technician, Senior Technician, and System Administrator at the various NSQF levels: certificate, diploma, advanced diploma, and B. Voc, respectively.

Further, it provides the vertical mobility to master's Degree in vocational course having multiple entry and exit that enables the learner to seek employment after any level of award and join back as and when feasible to upgrade qualifications/skill competencies either to move higher in the job profile or in the higher educational system.

f) Major facilities available in the School:

Physics: Over the years, it has established good facilities for research in Condensed Matter Physics and Materials Science. The facilities include: Programmable High Temperature Furnaces (upto 1600° C), Tri Arc Furnace, Pulse laser deposition system, Vacuum thermal deposition system, Electrophoretic deposit setup, Spin coating unit, Vacuum sealing facility, Glove-box, Sieve Shaker, Low speed Diamond wheel Cutter, Lapping and Polishing Machine, Rotating anode based X-ray diffractometer, Optical Microscopes, FTIR & UV-Vis spectrometers, Photoluminescence Spectrometers, DC and AC Electrical Resistivity, Thermopower apparatus (ambient to 10K), Dielectric Bridge (10Hz – 3 MHz, ambient to 500° C), Electrochemical analysis, Differential Scanning Calorimeter (-140°C to 600°C), Thermo-gravimetric analyser(ambient – 1100°C), Dynamical Mechanical Analyser (0.01Hz – 100Hz, -140°C to 600°C), Computer Cluster, Optical microscope with integrated optical trapping system and fluorescence imaging etc.

Electronics:

* UV/Visible/NIR Spectrophotometer, UV-VIS-NIR Fiber-optic spectrometer, Spectrum analyzer, portable Signal Generator & Analyzer upto 3 GHz range, MIMO Communication system.

* Hyper-spectral Imaging setup, Isolation table, various lasers and light sources.

* 20-Channel EEG, ECG and EMG Biomedical system.

* ALTERA Semiconductors technology developments boards for DSP, Image processing, trans-receiver, Ethernet; Controllers developments boards for PIC,89C52, ARM7/9, NI Speedy; Xilinx IDE ISE 7.1, MATLAB 2019, Lab View, TRI India Robotics development kits, VLSI, CAD tools (P-Spice), Microwind etc.

Mathematics:

Library with books purchased from NBHM Grants, Computer Lab.

Vocational Programme:

The Programme is established with the facilities such as Computer Networking and Gadgets & Electrical laboratory. Computer Networking laboratory consists of D-link supported laboratory for switching and routing. Gadgets and Electrical laboratory comprises of repair and maintenance of home appliances.

g) DST/FIST/Any Other:

Discipline of Physics received support under DST-FIST (Level-I, Phase II), UGC-SAP (DSA-Phase III) and Infrastructure Programmes. Ph.D. in Electronics is supported from Ministry of Electronics and Information Technology, New Delhi.

h) Placement Sources for the students:

Research Laboratories, Institutes and Universities in India and abroad (after Ph.D.) Teaching in Schools (with B.Ed.) and colleges/Universities (with NET/SET).

i) Placement Sources for the students:

It is one of the centres recognized by Indian Academy of Sciences, Bangalore for conducting the Experimental Physics Refresher Courses on behalf of the Joint Science Education Panel of the three national science academies.

The School offers two year M.Sc. (80 credits) and Ph. D Programmes in Physics, Electronics and Mathematics and B. Voc. Programmes in **Electronics, Instrumentation and Computer Networking.**

SCHOOL OF SANSKRIT, PHILOSOPHY & INDIC STUDIES

Dean  Tharakan, Koshy	Programme Director (Philosophy)  Menezes, Walter
--	--

The School of Sanskrit, Philosophy and Indic Studies comprises the following fields of study:

a) Programmes offered and student intake:

- 1) Philosophy
- 2) Sanskrit Studies

Discipline	Programmes Offered	Intake
Established: 1965 (CPIR) Code: PHI	M. A. Philosophy	19
Established: 20	M. A. Sanskrit Studies	15
	Ph. D. in Philosophy	

b) Introduction:

The School of Sanskrit, Philosophy and Indic Studies (SSPIS) is the outcome of integrating two separate academic units at Goa University, namely, the Discipline of Philosophy, one of the oldest Discipline, and the nascent School of Sanskrit and Indic Knowledge Systems into a composite whole for wider and deeper engagements. Academic study of Philosophy at Goa University was initially part of the then Centre for Post-Graduate Instruction and Research of University of Bombay (CPIR-1967). Subsequently, when Goa University came into existence, it became one of the constituent Discipline.

Currently, the SSPIS offers Master's as well as Doctoral studies in Philosophy, encompassing both the Indian and Western Philosophical specializations. As Philosophy overarches beyond any specific subject matter as far as it involves systematic investigation into various sources and methodologies of knowledge, the Master's Programme in Philosophy at Goa University offers a wide range of courses, both as Core and as Optional that aim to develop critical awareness in understanding other disciplines and subject matters. Based on the classical foundations of philosophy, the curriculum addresses contemporary developments and prepares the students for an informed and meaningful

life. The small classroom size serves well the learning eco-system. Opportunity for student exchange Programmes is also available for the students with reputed Universities abroad.

SSPIS has a very robust research Programme and students from other reputed Universities both from India and abroad pursue their studies here. Over the years, with sustained efforts of the faculty and students, the Philosophy Programme at Goa University has been able to embark on the path towards excellence in teaching and learning. Prof. Ramakant A. Sinari, Prof. A.V. Afonso, Prof. U.A. Vinayakumar, Dr. Milan B. Desai, Prof. A. Raghuramaraju and Prof. C.A. Tomy were faculty members of Philosophy here and had contributed to the growth of the discipline.

In the near future, SSPIS would offer Programme of studies in Sanskrit Language and Literature, Computational Linguistics, Pali and Buddhist Studies besides Philosophy. Through these academic Programmes, SSPIS aims to explore the dialogical potentials of our ancient knowledge and wisdom traditions with our contemporary concerns in order to build a cosmopolitan knowledge community, capable of addressing the societal challenges from the perspective of the Humanities discipline aimed at molding the enlightened citizens.

i.M.A Philosophy

M.A. Programme in Philosophy focuses on developing critical acumen in students with regard to philosophical issues and problems both in the Western and Indian Traditions of Philosophizing. The approach adopted for this purpose is largely analytical, critical and hermeneutical. The Discipline offers a wide range of courses in Indian Philosophy, Western Philosophy, Continental Philosophy, Logic and Ethics.

ii.Ph.D. in Philosophy

The Ph.D. Programme in Philosophy encourages critical, hermeneutical and analytical studies on classical as well as contemporary domains of philosophy, both Indian and Western. Over the years, the focus of research has been on Applied Ethics, Phenomenology, Philosophy of Religion, Environmental Ethics, Vedanta, and Ethics of Pedagogy.

c) Major facilities available in the Discipline

School of Sanskrit Philosophy and Indic Studies has internet connectivity in the classrooms and faculty rooms. Desktop Computers are available for students to be used for research work and assignments. The library portal gives access to E-Resources. The School has LED projectors for presentations.

d) Placement sources for the Students

At Goa University, the Directorate of Student Placement and Alumni Relations (DSPAR) organises at

least one placement fair a year. Students passing out from Goa University can make use of this platform. A good number of employers participate and identify smart students suiting their needs.

In the past, some of our former students have joined as faculty in reputed institutions like IIT Roorkee, Uttarakhand; Vidyasagar University, Midnapore, West Bengal and St. Stephen's College, New Delhi besides Colleges in Goa. Some work at senior level in Goa State Administration while others are working in private firms as executives as well as media professionals.

1. English
2. French & Francophone Studies
3. Hindi
4. Konkani
5. Marathi
6. Portuguese & Lusophone Studies

a) Programmes offered and Student Intake:

Discipline	Programmes Offered	Intake
Established: 1965(CPIR) Code: ENG	M.A. English	63
Established: 2018 Code:	B.A. French	19
Established: 1965 (CPIR) Code: FRE	M.A. French	19

Established: 1987 Code: POR	M.A. Portuguese	19
	Ph. D. in English, Hindi, Konkani, Marathi, French and Portuguese	
Established: 2020	Certificate of Proficiency	

b) Introduction: English

The Discipline offers postgraduate Programme in English and provides opportunities for doctoral research leading to Ph.D. in English. Literature is a major thrust area of the Discipline with emphasis on British, Indian, American and other literatures. Cultural Studies, translation studies and gender studies are allied areas of study for the Discipline.

c) Introduction: French

Since our inception in 1965, we have had a long tradition of teaching and research in the domain of French and Francophone Studies. The Discipline of French and Francophone Studies focuses on the extensive and intensive teaching and learning of Language, Literature, and Culture of France and Francophone Countries through robust Academic Programmes and a mosaic of workshops, seminars and cultural activities. It has been a much-appreciated and established Centre of Excellence in the field of French Studies in India. At present, the Discipline offers the following Programmes: Bachelor of Arts (Hons.) (four-year Degree), Master of Arts (two-year Degree), PhD. And Certificate/Diploma/Advanced Diploma in French. The Discipline has incorporated the latest methodologies and approaches to teaching and learning French, which efficiently enable a learner to meet linguistic and professional needs in diverse scenarios. Simultaneously, students get opportunities to interact and train with native French speakers and experts and participate in field trips and exchange Programmes with institutions abroad.

d) Introduction: Hindi

The School offers M.A. and Ph.D. Programmes in Hindi. It lays emphasis on Indian Literature, Hindi, Marathi & Konkani, Medieval & Modern Poetry, Novels, Fiction, Criticism, Journalism & Mass Media, Translation. The School also offers opportunity to conduct research in above areas.

e) Introduction: Konkani

This Discipline is the only one of its kind in the country, offers M.A. in Konkani language and literature and has research Programmes leading to Ph.D. in any area pertaining to Konkani Language and Literature. It also has various projects from Sahitya Academi, NCERT, UGC, CIIL and other bodies taken up by individual staff members who also have expertise in several Indian and foreign languages and translation. Along with the School of Computer Science and Technology, the School of Konkani is actively involved in interdisciplinary research pertaining to Natural Language Processing (NLP).

f) Introduction: Marathi

The thrust areas of the Programme include Grammar and Linguistics, Theory of Literature and Translation Studies, Medieval Literature, Christian Marathi Tradition of the 17th Century in Goa, Modern Forms of Literature, Marathi Literature in Goa, Dalit, Rural & Folk Literature, so also Science Fiction in Marathi.

g) Introduction: Portuguese and Lusophone Studies

The Discipline of Portuguese and Lusophone Studies, the only one of its kind in the country, offers a Postgraduate Masters Programme in Portuguese Literature and Culture.

Indo-Portuguese Studies is a major thrust area of the Discipline. Other allied areas of study with a focus on student training and employability include Translation Studies, Teaching Portuguese as a foreign Language and Research.

The Bachelors Programme in Portuguese aims at achieving better Linguistic Competencies at the end of which students may pursue employment or a Masters Degree in Portuguese.

The Portuguese Language Optional Courses, Certificate and Diploma Programmes of the Department of Portuguese and Lusophone Studies that follow the Common European Framework (CEF) are job oriented so that students may obtain fluency in Portuguese to meet the growing demand of the Corporate World.

2. EDUCATIONAL LOAN SCHEME:

Educational Loan Scheme of Goa State Scheduled Castes and Other Backward Classes Finance and Development Corporation Ltd. (a Govt. of Goa undertaking), 4th floor, Patto Centre, Panaji, Goa is available for the needy students from the scheduled castes, other backward classes and handicapped categories. Students who fulfill the eligibility conditions may apply for educational loan under the scheme.

3. FOREIGN STUDENTS:

Foreign students desiring to take admission in Goa University and colleges affiliated to this University are required to apply through the Ministry of Human Resources Development, Discipline of Education, Govt. of India, New Delhi. A certain percentage of seats are especially reserved for foreign students at Goa University. Foreign students may also contact the Foreign Students Advisor, Goa University.

As per the student Visa policy introduced by the Government of India, the Government will grant regular Visa only to prospective college students who have firm letters of admission from Indian Universities/recognised Colleges/Educational Institutions. The recognised institutions would be those included in the list issued by the Association of Indian Universities, UGC and Ministry of Health (Medical Council of India).

Foreign students who do not have such firm letter would be given provisional student Visa by the Government of India Missions abroad only on the basis of production of provisional admission certificate issued by such recognised Universities and/or affiliated institutions. In both types of student Visa, the name of the University and the college where the students have secured admission should be mentioned in the Visa of the foreign students. **The practice of issuing 'X' Entry Visa to prospective foreign students who do not have firm letters of admission has been discontinued.**

No admission to foreign students is granted if their passport shows any type of Visa other than students/provisional student Visa. Students having 'X' Entry Visa have to go back to their countries even if they get admission in Indian Universities etc., at the expiry of the initial period of stay allowed in their original Visa. Hence, under no circumstances, a change of purpose of visit to India will be allowed. Nor any change of institution (other than that mentioned in the student's Visa/provisional student's Visa) will be allowed. A foreign student will be permitted to take admission at this University on the basis of a Visa granted to study at this University.

Foreign students may contact **Khanapuri, Harip R., Goa Business School, Director,**

Directorate of Foreign Students (DFS)E-mail: harip@unigoa.ac.in Ph. 7030966086 for necessary guidance.

(a) Digital Learning and Initiatives (DDLI)

Goa University has set up Distance Education, Information and Training Infrastructure (DEITI) funded by Distance Education Council (Govt. of India) under Ministry of Human Resource. The set up is meant to cater distance education to the people of Goa through the satellite technology. There are 25 DRS (Direct Reception System) centres set up at selected Colleges and Higher Secondary Schools covering all 12 Talukas.

The DEITI is well equipped with its state-of-the-art studio having all kinds of facilities of audio-video recording and editing. The DEITI also organizes live interactive Programmes where the students and teachers interact with the Resource persons on the specific subject. The studio facility is also made available on commercial basis for indoor/outdoor shooting, recording and editing at reasonable rates.

Directorate of Digital Learning and Initiatives (DDLI): Priolkar, Kaustubh. R. S. Director

(b) Study India Programme (SIP)

The SIP Programme is offered to a group of foreign students wanting to pursue study in India to earn credits. The universities/institutions desirous to send a batch consisting not less than five students are required to contact the SIP Coordination Committee to prepare and sign a Memorandum of Understanding containing the Programme outline, time-schedule, credit transfer, and fee structure. The MOU is a prerequisite for launching the SIP. The University does not entertain inquiries of students not supported by their respective universities/institutions.

c) Study Japan Programme (SJP)

Goa University offers a one month Study Japan Programme as part of its student exchange Programme with College of International Relations, Nihon University Mishima, Japan. The course includes a 40 hour module on Japanese Society, Culture, Business and International Relations, which introduces the students to the various facets of Contemporary Japan. Apart from doing sessions along with the students of Nihon University, the students are also taken to field trips to various important locations in the vicinity of Mishima. The objective of the Programme is to provide students international experience and get them acquainted with diverse aspects of the Japanese culture and practices, which would help them in their overall perspective and personality building. Partial scholarships are also

offered to five students who are selected each year after a due screening process. The announcement for the Programme usually come in January every year. So far five batches of students have availed of this Programme.

FACILITIES & OTHER ACTIVITIES

a) Library: The Goa University Library and Information Centre was set up on 30th of June 1985 around the nucleus of the Library of the Centre for Post Graduate Research and Instruction, University of Bombay. The initial collection numbered 37,678 books and several bound volumes of periodicals. Today, our holdings have crossed 1,55,000 books covering a wide range of disciplines under Humanities, Social Science and Pure and Applied Sciences Especially Microbiology, Marine Science, Environmental Science, Computer Science, Geology, Management and other disciplines including a special collection on Latin America and The Caribbean. The Library also has a large collection of titles in Konkani, the state language of Goa and a foreign language section which includes titles in Portuguese, French and Spanish. Our Library acquires around 3000 books and over 350 periodicals every year. It also receives more than 150 periodicals gifted by various organisations and institutions. Goa University Library is a designated Repository Library of United Nations' publications since 1996.

In addition to these, our Library has a collection of rare books on Indo-Portuguese History and Culture donated by the late Dr. P. S. S. Pissurlekar (about 5000 books in various Languages). Mr. Nuno Gonsalves of Portugal and numerous others have donated their collections to the University for the use of scholars of Goa and the neighboring regions. A bibliography of these resources is currently available in print form. The Goa University Library is the single largest centre of academic resources in the State of Goa and caters not only to the needs of the academic community of the state but also serves many scientific, historical and social science researchers from neighboring States.

1) Our Automated Services:

With the successful completion of computerising the database of bibliographic details and automating its services our Library is on the threshold of embarking on its new role that of an information resource centre at the service of the academic community of this region, in addition to its traditional function of holding and disseminating of books.

2) Library Website:

The Library website is available under the url <http://library.unigoa.ac.in> This website has a Knowledge Portal which links to the various online e-resources subscribed as well as free for the use of the students and faculty. The e-resources provided by the INFLIBNET Centre Ahmedabad are available through the library website. Faculty and students get access to various full text and bibliographic databases through the UGC Infonet Digital Library link in the knowledge portal. There are federated search engines like <https://www.unigoa.ac.in/facilities/library.html> available for searching the library resources.

The Library also supports the maintenance of the University Repository which is available at <http://irgu.unigoa.ac.in/drs/>

3) Library Catalogue:

The Library has presently 1,80,898 books and its bibliographic details are stored in an Open Source software KOHA in a designated server at the Computer Center of the University. This database is now available on the Internet under the url <http://libcat.unigoa.ac.in/> Students and Faculty can check the availability of books, reserve books and check the renewal dates through the interface available globally.

4) Electronic Theses and Dissertations:

The Goa University has already started submitting Ph.D theses in digital format to the National ETD

Project "Sodhganga" which is available under the url <http://shodhganga.inflibnet.ac.in/handle/10603/6586>

5) Computer Lab and Cyber Centre:

The University Library has a Computer Centre and Cyber Lab for browsing the Internet. At present 50 computers are connected to the Internet with the 1 GB bandwidth connectivity provided by the National Knowledge Commission.

6) Library Timings:

Week days : 9.00 A.M. To 6.30 P.M., Saturdays: 10.00 A. M. To 5.00 P.M.

(b) EARTH SCIENCE AND TECHNOLOGY CELL AND CENTRE OF EXCELLENCE IN MARINE MICROBIOLOGY

Earth Science and Technology Cell in the field of Marine Microbiology was established at Goa University in January, 1998 with the support of Discipline of Ocean Development, New Delhi, which is now merged with the Ministry of Earth Sciences. The objectives of the Cell and the Centre are to strengthen academic and scientific work in the area of Earth, Ocean Sciences and Marine Microbiology through projects/workshop/seminar. The Cell functions under the guidance of the Management Board constituted by Ministry of Earth Sciences with Vice Chancellor, Goa University, as the Chairperson.

(c) UGC – MALAVIYA MISSION TEACHER TRAINING CENTRE (UGC-MMTTC)

"This Centre has been functioning at the University campus since 1988 and is regularly conducting the required Faculty Induction Programme, Refresher and other Programmes for the Teaching Faculty at PG Discipline and affiliated Colleges/Institutes of Goa University and other Universities in the country. Being one among similar colleges set up and funded by the UGC in different Universities, this Centre has played a major role in the training of University/College teachers in a commendable way. The activities of the Centre have been further focused to include Internet/specialized subject-specific software as an integral part of Faculty Induction Programmes."

In-charge Director: Sirsat, Rajendra N. Email- hrdc@unigoa.ac.in, Ph: 8669609169

(d) UNIVERSITY SCIENCE INSTRUMENTATION CENTRE (USIC)

University Science Instrumentation Centre (USIC) is a central instrumentation facility of the university consisting of Electronics, Mechanical and Glass Blowing workshops managed by faculties, officers and trained technicians. Energy Dispersive X-Ray Analysis (EDX), referred to as EDS or EDAX has been installed as a part of the Scanning Electron Microscope (SEM) at USIC. EDS is an X-ray technique used to identify the elemental composition of materials. In addition to this, SEM facility can be used for Image morphology of samples, Image compositional and some bonding differences, Undertake micro and nano lithography and so on. The centre was established in 1990 during Eighth- five-year plan period with an independent building having 250 sq. meters, housing all three workshops. The main aim is to strengthen the laboratories of user Discipline by way of equipment maintenance, calibration of test and measuring instruments, fabrication of gadgets and instruments, attachments required for some imported instrument so as to adapt them to Indian electrical standards etc. The Glass Blowing workshop is mostly involved in design and fabrication of glass apparatus as per the design submitted by researchers, which are otherwise not available generally in the market and repair of costly glass apparatus. The work undertaken by USIC can be broadly classified as analytical services for sophisticated instruments, maintenance of equipment for Languages and Science Laboratory, fabrication of teaching aids, development of new instruments, thus covering entire objective of USIC.

Facilities:

Carl-Ziess Scanning Electron Microscope (SEM), Ametek EDAX/EDS System, High Vacuum Diffusion Pump, High Temperature Furnaces, Milling Machine, Lathe Machine, Drilling Machine etc.

(e) REMOTE SENSING LABORATORY

A Remote Sensing Laboratory has been established with financial assistance from Indian Space Research Organisation (ISRO). The facilities of the laboratory include hardware consisting of five computers and software necessary for image processing. Image processing package such as ERDAS IMAGINE has been procured. An interdisciplinary Programme has been introduced across the different faculties where remote sensing technique has application. The laboratory provides hands on training to students who opt for interdisciplinary Programme on remote sensing and research and thus cater to the county's need for trained manpower in this field. All the instruments necessary for in-situ observations of radiance and irradiance, spectrophotometer for analysing the optically active constituents from samples and sunphotometer for measuring aerosol optical depth have also been procured. At present there are many R&D projects funded by different agencies like Naval Research Bard, Space Applications Centre, Space Physics Laboratory of VSSC, ISRO and Indian National Centre for Ocean Information Service of Ministry of Earth Sciences, Delhi. All these projects are carried out by Discipline of Marine Sciences for which the laboratory has been used extensively.

Coordinator: Menon, Harilal B. Email - hbmemon@unigoa.ac.in, Ph: 8669609233/ 001

(f) Materials Characterization Laboratory

Goa University has set up a University Laboratory for Materials Characterization (ULMC) with assistance from Rashtriya Uchchatar Shiksha Abhiyan (RUSA) for researchers from the University campus, affiliated colleges and other research institutions.

The laboratory consists of state of the art facilities like X-ray Diffractometer, Raman Spectrometer, GCxGC and TOF Mass Spectrometer and SQUID magnetometer. In addition, it also has a liquid nitrogen production facility which will supply liquid nitrogen to the users. Instrument time will be available on prior booking and payment basis.

Coordinator: Priolkar, Kaustubh. R. S. Email - krp@unigoa.ac.in, Ph.: 8669609210

(g) COMPUTER CENTRE, CAMPUS NETWORK AND INTERNET FACILITY

All the Discipline of the University are connected with a 1 gbps Fibre Optic backbone. The connectivity is distributed using cat 6 UTP, designed using Structured Cabling standards. Each Discipline is on a separate Vlan with routing through L3 switches, placed at distribution level in each building. All the faculties are equipped with Computer established a wireless network connectivity, connecting hostels, guesthouses, staff quarters and all the faculty buildings, providing 24X7 internet services. The facility is secured through a world class UTM (Universal Threat Management) hardware firewall and the wireless is maintained using a controller based hardware device. The internet facility is provided through 1 gbps 1:1 Internet Lease Line (ILL) from NKN, and a 100 mbps 1:1 ILL through a Private Operator. Both the links are working in aggregation mode with failover switching.

The Goa University Centre in houses, a Smart Cabinet based mini Data Centre, which provides Super Computing, Parallel Processing and Deep Learning facilities through PARAM (shavak), Super Computer from C-DAC. Softwares like installed on our computers, assist the students and teaching community in their research, learning and administrative activities. The Goa University also provides End Point Security (Antivirus, Legal version) to students on request. Computer Centre also extends its resources to teachers, students and research scholars, providing training, DTP, Printing and Computing facilities. Computer Centre is responsible for providing all the IT facility to the University.

Contact Person: Bandodkar, Sanjay. Email - hocc@unigoa.ac.in, Ph: 8669609015

(h) IPR Unit

A Committee has been formed to examine all matters pertaining to Intellectual Property Rights of Goa University. The members of this Committee are: J. A. E. Desa (Physics), B. F. Rodrigues (Botany) and V. S. Nadkarni (Chemistry). It is currently working towards establishing a system in which all University members can be regularly advised on the patentability of their work/ideas. The unit will also set up a database of published academic work of the scholars of Goa University. In January 2006 the Mumbai Patent office awarded an Indian Patent to Goa University. The first inventor is one of the faculty members of Goa University.

(i) CAREER COUNSELLING & PLACEMENT CELL

Goa University has established a Career Counseling & Placement Cell with a view to counsel students especially with regard to emerging careers, impart them soft skills and act as an interface between the industry and the students. The objectives of the Cell are:

- I. To disseminate information on placement avenues in academia/industry/research institutions.

- II.To conduct training/ workshops in soft skills with a view to prepare students for the rigours of screening tests, group discussions, personal interviews, etc.
- III.To conduct seminars, workshops on emerging professions, professionalism, leadership, entrepreneurship, etc.
- IV.To act as an interface between industry and the students and facilitate industry-institution linkages.
- V.To facilitate campus-based placement activity.

The Cell facilitates pre-placement and placement activity both on and off the campus and invites industrial/commercial establishments to avail the services of the Cell for campus placements.

(j) GOA UNIVERSITY ALUMNI ASSOCIATION, GOA (GUAAG)

Goa University Alumni Association enrolls ex-students of Goa University as well as erstwhile students of Centre for Post Graduate Instruction and Research (CPIR) as life members with a membership fee of Rs. 1000/-. The objective being not only to revive nostalgia amongst alumni from various disciplines but to also foster exchange of views and ideas with its alma mater and students and ultimately to be beacon to the State. UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN

HIGHER EDUCATIONAL INSTITUTIONS, 2009.

(Under Section 26 (1)(g) of the University Grants Commission Act, 1956)

PREAMBLE

In view of the directions of the Hon'ble Supreme Court in the matter of "University of Kerala v/s. Council, Principals, Colleges and others" in SLP no. 24295 of 2006 dated 16.05.2007 and that dated 8.05.2009 in Civil Appeal number 887 of 2009, and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary Programme do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the University Grants Commission, in consultation with the Councils, brings forth this Regulation. In exercise of the powers conferred by Clause (g) of sub-section (1) of Section 26 of the University Grants Commission Act, 1956, the University Grants Commission hereby makes the following Regulations, namely;

1. Title, commencement and applicability:-

- (i) These regulations shall be called the "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009".
- (ii) They shall come into force from the date of their publication in the Official Gazette.
- (iii) They shall apply to all the institutions coming within the definition of an University under sub-section (f) of section (2) of the University Grants Commission Act, 1956, and to all institutions deemed to be a university under Section 3 of the University Grants Commission Act, 1956, to all other higher educational institutions, or elements of such universities or institutions, including its discipline, constituent units and all the premises, whether being academic, residential, playgrounds, canteen, or other such premises of such universities, deemed universities and higher educational institutions,

whether located within the campus or outside, and to all means of transportation of students, whether public or private, accessed by students for the pursuit of studies in such universities, deemed universities and higher educational institutions.

2. Objectives:-

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary Programme do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student; and thereby, to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

provisions of these Regulations as well as the provisions of any other law for the time being in force, and is aware of the prohibition of ragging and the punishments prescribed, both under penal laws as well as under these Regulations and also affirm to the effect that her/his ward has not been expelled and/or debarred by any institution and further aver that her/his ward would not indulge, actively or passively, in the act or abet the act of ragging and if found guilty of ragging and/or abetting ragging, her/his ward is liable to be proceeded against under these Regulations or under any penal law or any other law for the time being in force and such action would include but is not limited to debarment or expulsion of her/his ward.

The application for admission shall be accompanied by a document in the form of, or annexed to, the School Leaving Certificate/Transfer Certificate/Migration Certificate/Character Certificate reporting on the inter-personal/social behavioural pattern of the applicant, to be issued by the School or institution last attended by the applicant, so that the institution can thereafter keep watch on the applicant, if admitted, whose behaviour has been commented in such document.

A student seeking admission to a hostel forming part of the institution, or seeking to reside in any temporary premises not forming part of the institution, including a private commercially managed lodge or hostel, shall have to submit additional affidavits countersigned by her/his parents/guardians in the form prescribed in Annexure I and Annexure II to these Regulations respectively along with her/his application. Before the commencement of the academic session in any institution, the Head of the Institution shall convene and address a meeting of various functionaries/agencies, such as Hostel Wardens, representatives of students, parents/ guardians, faculty, district administration including the police, to discuss the measures to be taken to prevent ragging in the institution and steps to be taken to identify those indulging in or abetting ragging and punish them.

The institution shall, to make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, prominently display posters depicting the provisions of penal law applicable to incidents of ragging, and the provisions of these Regulations and also any other law for the time being in force, and the punishments thereof, shall be prominently displayed on Notice Boards of all Discipline, hostels and other buildings as well as at places, where students normally gather and at places, known to be vulnerable to occurrences of ragging incidents.

The institution shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution's resolve to ban ragging and punish those found guilty without fear or favour.

The institution shall identify, properly illuminate and keep a close watch on all locations known to be vulnerable to occurrences of ragging incidents.

The institution shall tighten security in its premises, especially at vulnerable places and intense policing by Anti-Ragging Squad, referred to in these Regulations and volunteers, if any, shall be resorted to at such points at odd hours during the first few months of the academic session.

The institution shall utilize the vacation period before the start of the new academic year to launch a publicity campaign against ragging through posters, leaflets and such other means, as may be desirable or required, to promote the objectives of these Regulations.

The faculties/ Discipline /units of the institution shall have induction arrangements, including those which anticipate, identify and plan to meet any special needs of any specific section of students, in place well in advance of the beginning of the academic year with an aim to promote the objectives of this Regulation.

Every institution shall engage or seek the assistance of professional counsellors before the commencement of the academic session, to be available when required by the institution, for the purposes of offering counselling to freshers and to other students after the commencement of the academic year.

The head of the institution shall provide information to the local police and local authorities, the details of every privately commercially managed hostels or lodges used for residential purposes by students enrolled in the institution and the head of the institution shall also ensure that the Anti-Ragging Squad shall ensure vigil in such locations to prevent the occurrence of ragging therein.

(i) An institution shall, on admission or enrolment or registration of students, take the following steps, namely;

Every fresh student admitted to the institution shall be given a printed leaflet detailing to whom s/he has to turn to for help and guidance for various purposes including addresses and telephone numbers, so as to enable the student to contact the concerned person at any time, if and when required, of the Anti-Ragging Helpline referred to in these Regulations, Wardens, Head of the institution, all members of the anti-ragging squads and committees, relevant district and police authorities.

The institution, through the leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall explain to the freshers, the arrangements made for their induction and orientation which promote efficient and effective means of integrating them fully as students with those already admitted to the institution in earlier years.

The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall inform the freshers about their rights as bona fide students of the institution and clearly instructing them that they should desist from doing anything, with or against their will, even if ordered to by the seniors' students, and that any attempt of ragging shall be promptly reported to the Anti-ragging Squad or to the Warden or to the Head of the institution, as the case may be.

The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.

The institution shall, on the arrival of senior students after the first week or after the second week, as the case may be, schedule orientation Programmes as follows, namely; (i) joint sensitization

Programme and counselling of both freshers and senior students by a professional counsellor, referred to in clause of Regulation 6.1 of these Regulations; (ii) joint orientation Programme of freshers and seniors to be addressed by the Head of the institution and the anti-ragging committee;(iii) organization on a large scale of cultural, sports and other activities to provide a platform for the freshers and seniors to interact in the presence of faculty members ; (iv) in the hostel, the warden should address all students; and may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration.(v) as far as possible faculty members should dine with the hostel residents in their respective hostels to instill a feeling of confidence among the freshers.

The institution shall set up appropriate committees, including the Programme-in-charge, student advisor, Wardens and some senior students as its members, to actively monitor, promote and regulate healthy interaction between the freshers, junior students and senior students.

Freshers or any other student(s), whether being victims, or witnesses, in any incident of ragging, shall be encouraged to report such occurrence, and the identity of such informants shall be protected and shall not be subject to any adverse consequence only for the reason for having reported such incidents.

Each batch of freshers, on arrival at the institution, shall be divided into small groups and each such group shall be assigned to a member of the faculty, who shall interact individually with each member of the group every day for ascertaining the problems or difficulties, if any, faced by the fresher in the institution and shall extend necessary help to the fresher in overcoming the same.

It shall be the responsibility of the member of the faculty assigned to the group of freshers, to coordinate with the Wardens of the hostels and to make surprise visits to the rooms in such hostels, where a member or members of the group are lodged; and such member of faculty shall maintain a diary of her/his interaction with the freshers under her/his charge.

Freshers shall be lodged, as far as may be, in a separate hostel block, and where such facilities are not available, the institution shall ensure that access of seniors to accommodation allotted to freshers is strictly monitored by wardens, security guards and other staff of the institution.

A round the clock vigil against ragging in the hostel premises, in order to prevent ragging in the hostels after the classes are over, shall be ensured by the institution.

It shall be the responsibility of the parents/guardians of freshers to promptly bring any instance of ragging to the notice of the Head of the Institution.

Every student studying in the institution and her/his parents/guardians shall provide the specific affidavits required under clauses (d), (e) and (g) of Regulation 6.1 of these Regulations at the time of admission or registration, as the case may be, during each academic year.

Every institution shall obtain the affidavit from every student as referred to above in clause (m) of Regulation 6.2 and maintain a proper record of the same and to ensure its safe upkeep thereof, including maintaining the copies of the affidavit in an electronic form, to be accessed easily when required either by the Commission or any of the Councils or by the institution or by the affiliating University or by any other person or organisation authorised to do so.

Every student at the time of her/his registration shall inform the institution about her/his place of residence while pursuing the course of study, and in case the student has not decided her/his place of residence or intends to change the same, the details of his place of residence shall be provided immediately on deciding the same; and specifically in regard to a private commercially managed lodge or hostel where s/he has taken up residence.

The Head of the institution shall, on the basis of the information provided by the student under clause of Regulation 6.2, apportion sectors to be assigned to members of the faculty, so that such member of faculty can maintain vigil and report any incident of ragging outside the campus or en route while commuting to the institution using any means of transportation of students, whether public or private.

The Head of the institution shall, at the end of each academic year, send a letter to the parents/guardians of the students who are completing their first year in the institution, informing them about these Regulations and any law for the time being in force prohibiting ragging and the punishments thereof as well as punishments prescribed under the penal laws, and appealing to them to impress upon their wards to desist from indulging in ragging on their return to the institution at the beginning of the academic session next.

(a) Every institution shall constitute the following bodies; namely,

Every institution shall constitute a Committee to be known as the Anti-Ragging Committee to be nominated and headed by the Head of the institution, and consisting of representatives of civil and police administration, local media, Non-Government Organizations involved in youth activities, representatives of faculty members, representatives of parents, representatives of students belonging to the freshers' category as well as senior students, non-teaching staff; and shall have a diverse mix of membership in terms of levels as well as gender.

It shall be the duty of the Anti-Ragging Committee to ensure compliance with the provisions of these Regulations as well as the provisions of any law for the time being in force concerning ragging; and also to monitor and oversee the performance of the Anti-Ragging Squad in prevention of ragging in the institution.

Every institution shall also constitute a smaller body to be known as the Anti-Ragging Squad to be nominated by the Head of the Institution with such representation as may be considered necessary for maintaining vigil, oversight and patrolling functions and shall remain mobile, alert and active at all times. Provided that the Anti-Ragging Squad shall have representation of various members of the campus community and shall have no outside representation.

It shall be the duty of the Anti-Ragging Squad to be called upon to make surprise raids on hostels, and other places vulnerable to incidents of, and having the potential of, ragging and shall be empowered to inspect such places.

It shall also be the duty of the Anti-Ragging Squad to conduct an on-the-spot enquiry into any incident of ragging referred to it by the Head of the institution or any member of the faculty or any member of the staff or any student or any parent or guardian or any employee of a service provider or by any other person, as the case may be; and the enquiry report along with recommendations shall be submitted to the Anti-Ragging Committee for action under clause (a) of Regulation 9.1. Provided that the Anti-Ragging Squad shall conduct such enquiry observing a fair and transparent procedure and the principles of natural justice and after giving adequate opportunity to the student or students accused of ragging and other witnesses to place before it the facts, documents and views concerning the incident of ragging, and considering such other relevant information as may be required.

Every institution shall, at the end of each academic year, in order to promote the objectives of these Regulations, constitute a Mentoring Cell consisting of students volunteering to be Mentors for freshers, in the succeeding academic year; and there shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of one Mentor for six freshers and one Mentor of a higher level for six Mentors of the lower level.

Every University shall constitute a body to be known as Monitoring Cell on Ragging, which shall coordinate with the affiliated colleges and institutions under the domain of the University to achieve the objectives of these Regulations; and the Monitoring Cell shall call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committees, Anti - Ragging Squads, and the Mentoring Cells at the institutions, and it shall also keep itself abreast of the decisions of the District level Anti-Ragging Committee headed by the District Magistrate.

The Monitoring Cell shall also review the efforts made by institutions to publicize anti-ragging measures, soliciting of affidavits from parents/guardians and from students, each academic year, to abstain from ragging activities or willingness to be penalized for violations; and shall function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye-laws to facilitate the implementation of anti-ragging measures at the level of the institution.

(viii) Every institution shall take the following other measures, namely;

Each hostel or a place where groups of students reside, forming part of the institution, shall have a full-time Warden, to be appointed by the institution as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline and preventing incidents of ragging within the hostel, as well as the softer skills of counselling and communicating with the youth outside the class-room situation; and who shall reside within the hostel, or at the very least, in the close vicinity thereof.

The Warden shall be accessible at all hours and be available on telephone and other modes of communication, and for the purpose the Warden shall be provided with a mobile phone by the institution, the number of which shall be publicised among all students residing in the hostel.

The institution shall review and suitably enhance the powers of Wardens; and the security personnel posted in hostels shall be under the direct control of the Warden and their performance shall be assessed by them.

The professional counsellors referred to under clause (o) of Regulation 6.1 of these Regulations shall, at the time of admission, counsel freshers and/or any other student(s) desiring counselling, in order to prepare them for the life ahead, particularly in regard to the life in hostels and to the extent possible, also involve parents and teachers in the counselling sessions.

(i) The institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, counselling sessions, workshops, painting and design competitions among students and such other measures, as it may deem fit.

(ii) In order to enable a student or any person to communicate with the Anti-Ragging Helpline, every institution shall permit unrestricted access to mobile phones and public phones in hostels and campuses, other than in class-rooms, seminar halls, library, and in such other places that the institution may deem it necessary to restrict the use of phones.

- (iii) The faculty of the institution and its non-teaching staff, which includes but is not limited to the administrative staff, contract employees, security guards and employees of service providers providing services within the institution, shall be sensitized towards the ills of ragging, its prevention and the consequences thereof.
- (iv) The institution shall obtain an undertaking from every employee of the institution including all teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns and employees of service providers providing services within the institution, that s/he would report promptly any case of ragging which comes to her/his notice.
- (v) The institution shall make a provision in the service rules of its employees for issuing certificates of appreciation to such members of the staff who report incidents of ragging, which will form part of their service record.
- (vi) The institution shall give necessary instructions to the employees of the canteens and messing, whether that of the institution or that of a service provider providing this service, or their employers, as the case may be, to keep a strict vigil in the area of their work and to report the incidents of ragging to the Head of the institution or members of the Anti-Ragging Squad or members of the Anti-Ragging Committee or the Wardens, as may be required.
- (vii) All Universities awarding a Degree in education at any level, shall be required to ensure that institutions imparting instruction in such Programmes or conducting training Programme for teachers include inputs relating to anti-ragging and the appreciation of the relevant human rights, as well as inputs on topics regarding sensitization against corporal punishments and checking of bullying amongst students, so that every teacher is equipped to handle at least the rudiments of the counselling approach.
- (viii) Discreet random surveys shall be conducted amongst the freshers every fortnight during the first three months of the academic year to verify and crosscheck whether the institution is indeed free of ragging or not and for the purpose the institution may design its own methodology of conducting such surveys.
- m) The institution shall cause to have an entry, apart from those relating to general conduct and behaviour, made in the Migration/Transfer Certificate issued to the student while leaving the institution, as to whether the student has been punished for committing or abetting an act of ragging, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others, during his course of study in the institution.

Notwithstanding anything contained in these Regulations with regard to obligations and responsibilities pertaining to the authorities or members of bodies prescribed above, it shall be the general collective responsibility of all levels and sections of authorities or functionaries including members of the faculty and employees of the institution, whether regular or temporary, and employees of service providers providing service within the institution, to prevent or to act promptly against the occurrence of ragging or any incident of ragging which comes to their notice.

The Heads of institutions affiliated to a University or a constituent of the University, as the case may be, shall, during the first three months of an academic year, submit a weekly report on the status of compliance with Anti-Ragging measures under these Regulations, and a monthly report on such status thereafter, to the Vice-Chancellor of the University to which the institution is affiliated to or recognized by.

The Vice Chancellor of each University, shall submit fortnightly reports of the University, including those of the Monitoring Cell on Ragging in case of an affiliating university, to the State Level Monitoring Cell.

7. Action to be taken by the Head of the institution.- On receipt of the recommendation of the Anti Ragging Squad or on receipt of any information concerning any reported incident of ragging, the Head of institution shall immediately determine if a case under the penal laws is made out and if so, either on his own or through a member of the Anti-Ragging Committee authorised by him in this behalf, proceed to file a First Information Report (FIR), within twenty four hours of receipt of such information or recommendation, with the police and local authorities, under the appropriate penal provisions relating to one or more of the following, namely;

- (i) Abetment to ragging;
- (ii) Criminal conspiracy to rag;
- (iii) Unlawful assembly and rioting while ragging;
- (iv) Public nuisance created during ragging;
- (v) Violation of decency and morals through ragging;
- (vi) Injury to body, causing hurt or grievous hurt;

- (vii) Wrongful restraint;
- (viii) Wrongful confinement;
- (ix) Use of criminal force;
- (x) Assault as well as sexual offences or unnatural offences;
- (xi) Extortion;
- (xii) Criminal trespass;
- (xiii) Offences against property;
- (xiv) Criminal intimidation;
- (xv) Attempts to commit any or all of the above mentioned offences against the victim(s);
- (xvi) Threat to commit any or all of the above mentioned offences against the victim(s);
- (xvii) Physical or psychological humiliation;
- (xviii) All other offences following from the definition of "Ragging".

Provided that the Head of the institution shall forthwith report the occurrence of the incident of ragging to the District Level Anti-Ragging Committee and the Nodal officer of the affiliating University, if the institution is an affiliated institution. Provided further that the institution shall also continue with its own enquiry initiated under clause 9 of these Regulations and other measures without waiting for action on the part of the police/local authorities and such remedial action shall be initiated and completed immediately and in no case later than a period of seven days of the reported occurrence of the incident of ragging.

8. Duties and Responsibilities of the Commission and the Councils: -

- (i) The Commission shall, with regard to providing facilitating communication of information regarding incidents of ragging in any institution, take the following steps, namely;

The Commission shall establish, fund and operate, a toll-free Anti-Ragging Helpline, operational round

the clock, which could be accessed by students in distress owing to ragging related incidents.

Any distress message received at the Anti-Ragging Helpline shall be simultaneously relayed to the Head of the Institution, the Warden of the Hostels, the Nodal Officer of the affiliating University, if the incident reported has taken place in an institution affiliated to a University, the concerned District authorities and if so required, the District Magistrate, and the Superintendent of Police, and shall also be web enabled so as to be in the public domain simultaneously for the media and citizens to access it.

The Head of the institution shall be obliged to act immediately in response to the information received from the Anti-Ragging Helpline as at sub-clause (b) of this clause.

The telephone numbers of the Anti-Ragging Helpline and all the important functionaries in every institution, Heads of institutions, faculty members, members of the anti-ragging committees and anti-ragging squads, district and sub-divisional authorities and state authorities, Wardens of hostels, and other functionaries or authorities where relevant, shall be widely disseminated for access or to seek help in emergencies.

The Commission shall maintain an appropriate data base to be created out of affidavits, affirmed by each student and her/his parents/guardians and stored electronically by the institution, either on its or through an agency to be designated by it; and such database shall also function as a record of ragging complaints received, and the status of the action taken thereon.

The Commission shall make available the database to a non-governmental agency to be nominated by the Central Government, to build confidence in the public and also to provide information of non-compliance with these Regulations to the Councils and to such bodies as may be authorized by the Commission or by the Central Government.

(ii) The Commission shall take the following regulatory steps, namely;

The Commission shall make it mandatory for the institutions to incorporate in their prospectus, the directions of the Central Government or the State Level Monitoring Committee with regard to prohibition and consequences of ragging, and that non-compliance with these Regulations and directions so provided, shall be considered as lowering of academic standards by the institution, therefore making it liable for appropriate action.

(i) The Commission shall verify that the institutions strictly comply with the requirement of getting the affidavits from the students and their parents/guardians as envisaged under these Regulations.

(ii) The Commission shall include a specific condition in the Utilization Certificate, in respect of any financial assistance or grants-in-aid to any institution under any of the general or special schemes of the Commission that the institution has complied with the anti-ragging measures.

(iii) Any incident of ragging in an institution shall adversely affect its accreditation, ranking or grading by NAAC or by any other authorized accreditation agencies while assessing the institution for accreditation, ranking or grading purposes.

(iv) The Commission may accord priority in financial grants-in-aid to those institutions, otherwise eligible to receive grants under section 12B of the Act, which report a blemish less record in terms of there being no reported incident of ragging.

(v) The Commission shall constitute an Inter-Council Committee, consisting of representatives of the various Councils, the Non-Governmental agency responsible for monitoring the database maintained by the Commission under clause (g) of Regulation 8.1 and such other bodies in higher education, to coordinate and monitor the anti-ragging measures in institutions across the country and to make recommendations from time to time; and shall meet at least once in six months each year.

(vi) The Commission shall institute an Anti-Ragging Cell within the Commission as an institutional mechanism to provide secretarial support for collection of information and monitoring, and to coordinate with the State Level Monitoring Cell and University level Committees for effective implementation of anti-ragging measures, and the Cell shall also coordinate with the Non-Governmental agency responsible for monitoring the database maintained by the Commission appointed under clause (g) of Regulation 8.1.

Preamble: Students indiscipline leads to serious issues including ragging. It has been observed by Hon'ble Courts of Law and UGC that common places where indiscipline/ragging could occur includes canteens and hostels. This necessitates relooking into disciplinary rules for hostel management as well as Disciplinary Rules by Goa University, probably in the year 1988. A proctorial system needs to be established as suggested by the Academic Council of the Goa University.

Whereas it is considered necessary and expedient to frame rules under which disciplinary action may be taken at various levels against students of the University Teaching Schools/Centers, established and maintained by Goa University.

The following Rules are framed under section 22 (q) of the Goa University Act, 1984 read with clause 5 of the Statute no. 26.

Before proceeding further, the Committee would like to reproduce some important guidelines in this context:

Section 22 (q) of GU Act, 1984 read with clause 5 of Statute 26 provides for the Maintenance of discipline among students of the University –

(1) All powers relating to discipline and disciplinary action in relation to student of the University shall vest in the Vice-Chancellor.

(2) The Vice-Chancellor may delegate all or any of his powers as he deems proper to the Registrar and to such other officers as he may specify in this behalf.

(3) Without prejudice to the generality of his powers relating to the maintenance of discipline and taking such action, as may seem to him appropriate for the maintenance of discipline, the Vice-Chancellor may, in the exercise of his powers, by order, direct that any student or student be expelled or restricted for a specified period or be not admitted to a course or courses of study in a college, institution or Schools of the University for a stated period or be punished with fine for an amount to be specified in the order or be debarred from taking an examination or examinations conducted by the University, college, institution or Schools for one or more years, or that the results of the students or students concerned in the examination or examinations in which he or they have appeared be cancelled.

(4) The Principals of the colleges, institutions, Head of Special Centers, Deans of Schools of University shall have the authority to exercise all such disciplinary powers over the students in their respective colleges, institutions Special Centers, Schools of the University as may be necessary for proper conduct of such colleges, institutions, special centers, Schools of the Universit.

(5) Without prejudice to the powers of the Vice-Chancellor, the Principals and other persons specified in clause (4), detailed rules of discipline and proper conduct shall be made by the University. The Principals of colleges, institutions, Heads of Special Centers, Deans of Schools of Studies and teaching faculties of the University may also make such supplementary rules as they deem necessary for the aforesaid purpose. Every student shall be supplied with a copy of the rule made by the University and a copy of the supplementary rules shall be supplied to the students concerned.

(6) At the time of admission, every student shall be required to sign a declaration to the effect that he submits himself to the disciplinary jurisdiction of the Vice-Chancellor and other authorities of the University.

Hon'ble Supreme Court of India delivered many judgements during 2001-2009 defining ragging and giving directives to curb the problems:

Any disorderly conduct whether by words spoken or written or by an act which the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or indisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

- **Ragging is as severe a criminal act as rape.**
- **FIR will be filed without any delay.**
- **Such cases will be accorded priority trial.**
- **Those found guilty may be fined up to Rs. 8,000/-**
- **Those found guilty may be expelled up to four semesters.**
- **Those found guilty may be denied admission elsewhere.**
- **Authorities are also accountable for any failure or delay.**
- **Defaulter institutions are likely to lose grants.**

7.0 PROCTORIAL BOARD

a. There shall be a Proctorial board for the University consisting of a Chief proctor and two Proctors. The Proctors shall be appointed by the Vice-Chancellor as follows.

One Assistant Professor.

One Associate Professor.

The tenure of the Proctors shall be for a period of three years. One of the Proctors shall be a woman. All the matters concerning indiscipline and misconduct by student/s shall be dealt by the Proctorial Board.

b. **CHIEF PROCTOR**

(1) The Chief Proctor shall be appointed from amongst the employees of the University preferably of the rank of Professor, by the Executive Council on the recommendation of the Vice-Chancellor. The Chief Proctor shall exercise such powers and performs such duties as may be assigned to him by these Rules or by the Vice-Chancellor. The tenure of the Chief Proctor shall be for a period of three years.

(2) When the office of Chief Proctor is vacant or when the Chief Proctor is, by reason of illness or absence for any other cause, unable to perform the duties of his office, the duties of the office shall be performed by one of the Assistant Proctors as the Vice-Chancellor may appoint for the purpose.

(3) The Chief Proctor shall be the competent authority to impose fine/penalty as per the provisions of the clause 6 of these Rules to the student/s on the recommendation of the Proctorial Board.

c. **POWERS OF THE PROCTORIAL BOARD AND PROCEDURES**

(1) The Proctorial Board shall be the inquiry authority for all the cases of misconduct/ indiscipline by the student/s and shall make suitable recommendations to the Vice-Chancellor as per the provisions of these Rules. This shall, however, exclude the cases to be handled by the ICC.

(2) The Proctorial Board (PB) is authorized to take up the cases *suo moto*. However, complainants shall be required to report any of the matters mentioned above within three days of the occurrence of the incident to the Chief Proctor. The student(s) charged shall be notified within four working days of the charge against her/him. It shall be the responsibility of the students(s) thus charged to submit in writing her/his defense within two working days to the PB. If the PB does not receive a defense within two working days, it will take an *ex parte* decision on the charge. The PB shall, however, have powers to relax the time-frames mentioned above based on the merit of the case in question.

(3) Under normal circumstances the PB shall issue a show cause notice within four working days of receiving a complaint calling for explanation within two working days. If the explanation is not received within two working days or in the further time as may be granted, the PB may, by powers vested in it, record hearings from the other side and/or itself conduct an enquiry or may entrust the process of enquiry including framing of charges and conducting the actual inquiry to any other official

of the University. However, if the situation so demands, the PB may convene an emergency meeting and call those concerned to depose before it immediately.

- (4) Evidence to the PB shall normally be presented orally. The student charged may be required to provide written/material evidence, if the PB so demands.
- (5) It shall be the responsibility of the student charged and the complainant to arrange for their respective witnesses to give oral evidence or to submit any written statements/material evidence in their defense. A Witness giving oral evidence may be cross-examined by the PB. A witness not available for cross-examination may submit evidence in writing. The PB shall not consider evidence from persons who are not prepared to have their names revealed to the PB. The names of persons appearing as evidence/witness shall be kept confidential.
- (6) The PB shall have the power to determine the order of proceedings and to exclude any material which appears irrelevant or repetitive or even seek clarification on oral/written submissions/material evidence.
- (7) The student charged will be invited to be present with a representative [optionally and who shall be another bonafide student only] whenever oral evidence is being heard. Representation through legal counsel/lawyer shall NOT be allowed in any case to any of the parties. Non-attendance of the student charged or her/his representative shall not bar the PB from proceeding ahead. The PB may at its discretion adjourn its proceedings in order to enable the student charged or the representative to be present.
- (8) The PB may adjourn a hearing in order to require a witness to attend for cross-examination. Where a witness who, in the opinion of the PB, is a vital witness, fails to attend, the PB may, at its discretion, postpone its deliberations or even continue with its proceedings. The PB may also adjourn / proceed with a case where it is of the opinion that its proceedings are being impeded by any circumstance beyond its control.
- (9) The PB shall meet to consider an adjourned case, as soon as it is feasible, and not later than 15 days after the adjournment, although the case may not be determined at the resumed meeting. Where it is not reasonably practicable for the same members to attend the PB meeting reconvened to hear an adjourned case, it may co-opt one or two additional members to form the quorum.
- (10) The PB is authorized to invite members where it deems necessary. However, the members so invited shall not have voting rights.

d. **GENERAL**

- (1) No punishment shall ordinarily be imposed on a student unless the PB has followed normal procedures including due opportunity to the student(s) charged with an offence.
- (2) The PB shall draw up:
 - I) the substance of the imputation of major acts of indiscipline into definite and distinct articles of charge.
 - II) a statement of imputation of acts of indiscipline in support of each articles of charge, which shall contain-
 - a) a statement of all relevant facts including any admission or confession made by the student (to be signed by the concerned student/s)
 - b) a list of documents by which and list of witnesses by whom the articles of charge are proposed to be sustained. (to be signed by the concerned witness).
- (3) The Inquiry Authority shall prepare the report of inquiry which shall contain: -
 - a) The articles of charge and the statement of imputation of acts of major indiscipline.
 - b) The defense of the student if any in respect of each article of charge.
 - c) An assessment of the evidence in respect of each article of charge, separately in respect of each student.
 - d) The finding on each article of charge and the reasons thereof.

- (4) In case the Vice-Chancellor or any Competent Authority is of the opinion that on the basis of the available material and evidence on record, a prima facie case exists against a student s/he may order suspension of the student including withdrawal of any or all facilities available to a bonafide student pending inquiry.
- (5) Notwithstanding any punishment mentioned above, the Vice-Chancellor may, keeping in view the gravity/nature of misconduct/act of indiscipline, the manner and the circumstances in which the misconduct/indiscipline has been committed, award a punishment in excess of or less than or other than what has been mentioned thereon for reasons to be recorded.
- (6) The Office of the Chief Proctor shall immediately report its decision to all the officials concerned for necessary action. It shall also report annually to the Vice-Chancellor and any such body that the Vice-Chancellor deems fit, on all cases arbitrated by it during the preceding academic year.

8.0 PLACING THE REPORTS OF INQUIRY BEFORE THE EXECUTIVE COUNCIL.

- (i) The Vice-Chancellor on the receipt of the record of inquiry from the Inquiry Authority shall cause the records to be placed before the Executive Council at its next meeting or at a special meeting, if necessary.
- (ii) The Executive Council after due consideration of the report and record of inquiry with the recommendation of the Vice-Chancellor shall pass such order as may be considered just and necessary.
- (iii) The Registrar of the University shall then communicate the orders of the Executive Council to the student if the decision is to rusticate the student.
- (iv) If the student rusticated was allowed to appear for the University Examination with a condition that the results will be with-held until the completion of the inquiry and the decision of the Executive Council thereon, the Registrar shall inform the Controller of Examinations that the result of the student shall not be announced.

9.0 APPEAL

- (i) Student/s shall be allowed to appeal against the fine/penalty imposed by the competent authority subject to provisions of the Rule 6.0. However, such an appeal shall be preferred by the concerned student/s within ten working days after the receipt of order of the competent authority.
- (ii) There shall be no appeal against the order of the Executive Council where student/s is/are subjected to expulsion from the University or is subjected to monetary fine by the EC. The decision of the Executive Council shall be final.

10.0 ACT/ACTS OF INDISCIPLINE MISCONDUCT OUTSIDE THE UNIVERSITY CAMPUS:

- i) The University shall not ordinarily take cognizance of act/acts of indiscipline committed by a student outside the University campus.
- ii) If a student is arrested or detained by orders of a magistrate on a charge of criminal act involving moral turpitude committed outside the campus, the Vice-Chancellor after verifying the fact of such arrest and detention shall place her/him under suspension until s/he is released on bail or otherwise.
- iii) If a student is sentenced to imprisonment for an offence indulging moral turpitude, the Vice-Chancellor shall place her/him under suspension.
- iv) The Vice-Chancellor shall place the matter before the Executive Council which shall rusticate her/him from the University.
- v) If on appeal, the conviction is set aside, her/his rustication shall post facto cease.

11.0 INTERPRETATION

In case of a dispute with regards to the interpretation of any of the Rules mentioned above, the decision of the Vice-Chancellor shall be final.
