| | <p>towards the School of Chemical Sciences block, the ground area, the Library, Faculty Block A, the canteen and ended at IMBA Block 2.</p> <p>Empty alcohol bottles form whiskey to beer, beer cans, plastic mineral water bottles, chip packets, chocolate wrappers, gutka/tobacco packets, plastic packaging, and huge amount of construction waste was collected.</p> <p>It was noticed that the alcohol bottles/beer cans of all brands from the cheapest to the most expensive collected were maximum, thus concluding that the campus is misused in the late evenings/holidays.</p> <p>Secondly, since marathons – walk, running or bike are held on the highway from GMC to Dona Paula crossing the university campus, plastic mineral water bottles were strewn in cartons from along the roadside.</p> <p>Finally, as construction work is going on in the campus the construction waste was all scattered throughout the road we covered.</p> <p>The volunteers tried their best to collect as much as possible but due to thorny plant at places it was impossible to collect everything.</p> <p>The drive ended at 12.30 pm followed by light refreshments for the volunteers.</p> |
| <p>12. Benefit/Key outcomes of the Program/activity/event</p> | <p>1. An awareness of clean, healthy university campus. 2. Importance of promoting hygiene and garbage disposal.</p> |
