

REPORT ON ACTIVITY

Gender Champion under Directorate of Equal Opportunities (DEO), Goa University

Workshop on:

Title of the event	The Investment Edge: A Workshop for Aspiring Investors
Date and time	24/01/2025
Mode	Offline
Location	FF-07, Goa Business School, Goa University
Department/School/Directorate	Management Studies, Goa Business School
Participants	65
No. Of Faculty attended	6
No. Of Students attended	59
Name of the Resource Person	Mr. Sanjay Kapoor, Mutual Fund, Insurance and General Insurance Advisor
Objective and Description of the Activity	The key objective of this workshop is to bridge the financial literacy gap by giving both genders equal opportunities to learn the value of saving, budgeting, and investing early in life. It aims to address gender-specific challenges such as lower financial inclusion and cultural preconceptions, which frequently prevent women from actively participating in financial concerns, while encouraging males to be allies in promoting inclusive financial practices.
Benefits and Key Outcome of the Event	The session introduced participants to fundamental investment principles such as risk management, diversification, and examining options such as equities, mutual funds, government schemes, and digital financial instruments, with a focus on male and female students' various objectives. It fostered shared financial decision-making by encouraging young men and women to work together to achieve equitable financial objectives, promoting mutual respect and understanding. The workshop aims to remove

preconceived notions that equate financial knowledge with one gender, resulting in a generation of financially empowered individuals. The projected results include increased financial literacy among students, allowing both male and female participants to independently evaluate investment options and make informed decisions. The session has encouraged financial responsibility and planning in participants, preparing them to face future problems and attain financial independence.
