3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	MBA (Integrated)- Hospitality and Tourism, Goa Business School
5. Collaborating Agency/School/Directorate	MBA (Integrated)- Hospitality and Tourism, Goa Business School
6. Detail of the Resource Person (Brief biodata)	Mr. Omkar Sawant from ICAR-CCARI Mr. Francis D'Souza, from Sahakari Eco-farm
7. Number of Faculty attended/participated	Dr Paresh Lingadkar Ms. Sujal Naik
8. Number of Student attended / participated	27
9. No. of external students/faculty/other participants	Nil
10. The objectives of the Program/activity/event	The field visit was aimed to provide practical exposure to students about Agro-Ecotourism as well as about Farm-Ecotourism
11. Description of the Program/activity/event	The field trip to the ecotourism destination was a truly enriching experience to the students. They learned about sustainable practices that protect local tourism places and habitats. The knowledgeable guides shared insights on conservation efforts and the importance of preserving biodiversity. The Sahakari ecofarm engaged in eco-friendly

	activities, like nature spice plantation, and walks, which deepened the appreciation for the environment. The destination also supported local communities by promoting eco-conscious businesses and employment opportunities. It was a perfect blend of education and adventure, inspiring the to become more mindful of the environmental impact.
12. Benefit/Key outcomes of the Program/activity/event	<p>The students learn about the different aspects of Agro-Ecotourism along with the significance of Farm-Ecotourism. Mr Omkar Sawant (ICAR-CCARI) gave a detailed guided trip to the various sections of ICAR-CCARI including, Plant Grafting, Animal Husbandry unit including Pigs, Goat, Cows, Buffaloes, Chicken Eggs, Hybrid rice plantation on different varieties, Aquaculture, establishment of fishery etc.</p> <p>Mr Francis D'Souza, from Sahakari Eco-farm was very enthusiastic in sharing the details of various spice farming done at the farm. The students learnt about the uses of the local spices, their plantation, as well as their medicinal use. Towards the end, the students had a Goan feni-shot and medicinal shock treatment used to drive away the fatigue. Hundreds of tourist flocks to these places on daily basis.</p>
13. Enclosures with report	Geo-tag photos, Attendance of students/faculty, are enclosed
