Biodata of InfoTalk Speakers of Infofest 2024

Speaker for InfoTalk 1 on Day1

Meghna M Jadhav, Clinical Psychologist

- Previously worked at Aarogya Bharti Helpline during Pandemic 2020-2021,
- Also worked as a Clinical Psychologist/ Therapist at Pediatric Neuro Rehab Therapy Clinic Panjim, for 2 years 2021- 2023
- Currently working at Tele-MANAS Cell South Goa District Hospital as a Clinical Psychologist

Ms. Richal Fernandes, Psychiatric Nurse

- Previously worked as a Clinical nurse at V. M. Salgaocar Hospital
- Worked as Clinical Nurse in Gracias Maternity Hospital
- Worked as a Clinical Nurse at Manipal Hospital Goa
- Worked as Psychiatric Nurse for a US based company (Online)
- Currently working at Tele-MANAS Cell South Goa District Hospital as a Psychiatric Nurse

Speaker for InfoTalk 2 on Day 1

Dr. Girish Srivastava holds a Ph.D. in Management from Indian Institute of Foreign Trade, New Delhi. In a career spanning over 34 years, Dr. Girish has worked with Indian Broadcasting and Digital Foundation (IBDF), National Association of Software and Service Companies (NASSCOM), Bechtel Management Consulting, USA, Toyo Engineering Corporation, Japan and Reliance Industries Ltd. Presently, as an independent consultant, he is advising firms across sectors for promoting businesses in India and abroad in markets, strategy and policy space.

Given his extraordinary contributions particularly in trade, policy, reforms and governance working with both private sector and government (central & State), he has regularly been considered as a member of several high-profile Government Committees and programmes such as Kelkar Committee for All India Tax modernization, Kelkar Committee for Defense procurement reforms, modernization of shipping and surface transport among others.

Speaker for InfoTalk 3 on Day 2

Dr. Abid Hussain Wani is an accomplished academic and researcher in computer science, currently serving as an Assistant Professor at the Department of Computer Science, South Campus, University of Kashmir. With a Ph.D. focused on "Machine Learning-based Emotion Detection and Classification Framework for Social Data" and a Gold Medal in MCA from the same university, he specializes in artificial intelligence, neural networks, and data communication.

His career spans roles as a lecturer and a probationary officer, showcasing his diverse experience in education and system management. An active contributor to research, he has published extensively in prestigious journals and presented at various international conferences. Additionally, he has delivered numerous invited lectures, organized technical workshops, and reviewed articles for Scopus-indexed journals, reflecting his dedication to advancing computer science education and research.
