

MSW Part I students had a remarkable learning experience at the High Court of Bombay at Goa, witnessing live court proceedings and engaging in a special session with His Lordship, Justice Valmiki Menezes. The session focused on the role of social workers in child custody matters, reinforcing the importance of home studies, social investigations, and legal advocacy for children's rights.

Earlier in the day, students also explored legal aid mechanisms at Goa State Legal Services Authority with Ms. Shabnam Shaikh, and discussed tribal welfare policies at the Directorate of Tribal Welfare with Mr. Abhijit, Social Welfare Officer.
