REPORT

Colloquy 2025-A Two-Day Spoken English Workshop for School Students

The Department of English, Dnyanprassarak Mandal's College and Research Centre, Assagao, in collaboration with the Directorate of Extramural Studies and Extension Services, Goa University, successfully organized its annual Two-Day Spoken English Workshop titled *Colloquy* for school students on 31st January and 1st February 2025. The objective of the workshop was to enhance the spoken English skills of young learners, boosting their confidence in communication, and equipping them with practical language tools. Students from Std VIII and IX of Assagao Union High School and New English High School, Keri were the beneficiaries of the workshop. A total of 62 students and three teachers actively participated in the workshop. The sessions were conducted by Ms. Priya Almeida, an esteemed Edupreneur, Life, and Language Coach, who provided valuable insights and engaging activities designed to refine students' communication skills.

The workshop commenced with an inaugural ceremony graced by Prof. D. B. Arolkar, Principal of Dnyanprassarak Mandal's College and Research Centre, Assagao, Goa, the Vice-Principal and Head, Department of English, Dr. M. Shanthi, Mr. Shreedhar Naik, Headmaster, Assagao Union High School and the resource person of the workshop, Ms. Priya Almeida. The Principal Prof. D.B.Arolkar delivered inspiring addresses emphasizing the importance of spoken English in today's globalized world. A significant highlight of the event was the signing of a Memorandum of Understanding (MoU) between Dnyanprassarak Mandal's College and Research Centre, Assagao, and Assagao Union High School. This MoU aims to foster collaboration and organize joint academic activities to build a strong academic partnership. The Vice-Principal and Head, Department of English, Dr. M. Shanthi proposed the vote of thanks.

The inaugural function seamlessly transitioned into a dynamic workshop. Ms. Priya Almeida kicked off the first session, immersing students in the world of phonetics and vocabulary building through engaging exercises. The subsequent session, focused on Building Conversational Skills, saw students actively participating in interactive activities designed to enhance their fluency and pronunciation. This was followed by a stimulating session centered on group activities and critical thinking. Students enthusiastically engaged in discussions, collaborative group work, and peer-learning exercises, fostering a dynamic and interactive learning environment.

The second day shifted its focus to practical application, featuring modules on Effective Public Speaking and Storytelling Techniques. A unique addition was the incorporation of singing as a tool to enhance language skills, offering a creative and engaging approach to learning. Beyond these, the day also incorporated breathing exercises and other vocabulary and language-enhancing activities, equipping students with a comprehensive toolkit for improved communication. Public speaking was also included, with students encouraged to prepare and deliver speeches. Both formal and informal speech styles were introduced, and students were given opportunities to practice both prepared and impromptu speaking.

The workshop concluded with a valedictory session. Certificates of participation were distributed to all the participants. Also, prizes were awarded to students who won various games conducted during the workshop, and two students from each participating school were recognized for their outstanding performance. Feedback from the students was overwhelmingly positive, with many expressing that the workshop had not only significantly enhanced their spoken English skills but also instilled in them a newfound confidence and valuable effective communication strategies.

Date: 3/2/2025
