

## Empowering Communities Through Health & Education!

The **Education Outreach Sub-Committee, Unnat Bharat Abhiyan**, along with **SEC, SBSI**, and the **Social Work, Sociology, and Women's Studies Programmes at Goa University**, led a **Mega Health Camp** for the **Kathkari community in Nirankhal**.

About **100+ people served** with free health check-ups, immunizations & awareness sessions!

Grateful to **PHC Shiroda, Goa Dental College, NFSU Goa & Human Touch Foundation, Grand Hyatt Goa, Anil Salgaocar Foundation, TTAG** for their support!
