School of Chemical Sciences

Report on 17th Annual One Day Symposium on the theme, “*Fascinating World Of Chemical Sciences: Chemistry Fest*”

The School of Chemical Sciences (SCS), Goa University in association with the Chemistry Department Faculty and Alumni Association (CDFAA), Goa University, organized the 17th Annual One Day Symposium for T.Y.B.Sc. Chemistry students from Goan colleges on the theme “*Fascinating World Of Chemical Sciences: Chemistry Fest*” which was held on Saturday, 8th March 2025 at School of Chemical Sciences, Goa University.

The objective of this symposium is to provide platform to the undergraduate students from different colleges across Goa to present their final year dissertation work and enhanced the knowledge of all the participating students about various research areas in Chemical Sciences.

The chief guest Shri. Vinay Jairam Manerikar, Deputy General Manager – Quality Control Department, Zydus Lifescience Ltd, Kundaim – Goa, India inaugurated the event.

Symposium comprised of oral and poster presentations from the T.Y.B.Sc. Chemistry Students of Science Colleges in Goa. There were total of 16 T.Y.B.Sc. Chemistry students (5 for Oral presentations and 11 for Poster presentations) from 8 different Science Colleges were participated and presented their dissertation work.

10 faculties from different Science Colleges of Goa along with their 52 students, 13 faculties of SCS, 23 research students of SCS, and 41 M.Sc. Chemistry students of SCS were also participated in the symposium. Three Judges from prestigious institutes like IIT-Goa, and BITS-Goa evaluated the oral and poster presentations.

Following were the prize winners of 17th Annual One Day Symposium of CDFAA.

For the Oral competition:

Prize	Name of Student	Name of College
1	Riya Mayekar	D.M's College of Arts, Science and Commerce, Assagao, Mapusa
2	Simran Shaikh	St. Xavier's College of Arts, Science and Commerce, Mapusa
3	Mitali Narayan Bandothkar	Carmel College of Arts, Science and Commerce, Nuvem

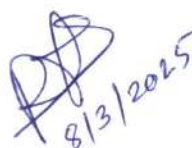

For the Poster competition:

Prize	Name of Student	Name of College
1	Suhani Kunkolienkar	Dhempe College of Arts and Science, Miramar
2	Aradhya Phadte	P.E.S's Ravi S. Naik College of Arts and Science, Farmagudi, Ponda
3	Diya Naik	D.M's College of Arts, Science and Commerce, Assagao, Mapusa

This symposium provided good opportunity for the undergraduate students from different colleges across Goa to present their dissertation work at state level platform beyond mere completion of project for academic purpose and helped them to improve their presentation skills. All the students and faculties attended this symposium have enhanced their knowledge about various research areas in chemistry and motivated them to engage themselves in various research activities which will help them to come-up with novel applicative ideas.

CIRCULAR

School of Chemical Sciences, Goa University in association with Chemistry Department Faculty and Alumni Association (CDFAA), Goa University proudly announces its **17th Annual One Day Symposium** on the theme, "**Fascinating World Of Chemical Sciences: Chemistry Fest**" for the T. Y. B.Sc. Chemistry Students of Science Colleges in Goa. This Symposium gives an opportunity to the T. Y. B.Sc. Chemistry students to participate and present their project work in the symposium.

Date: Saturday, 8th March, 2025
Venue: Auditorium, School of Chemical Sciences,
Goa-University, Goa 403206, INDIA
Convener: Dr. Rohan Keshav Kunkalekar,
School of Chemical Sciences,
New Science Building E,
Goa-University, Goa – 403206, INDIA
E-mail: rohankunkalekar@unigoa.ac.in
Mobile no.: 9767649784

Participation Details:

1. Each college is requested to depute **Three students** (one ORAL and two POSTER presentations) and one accompanying faculty member.
2. The three students selected for oral & poster presentations from each college, should make presentations from different branches of Chemistry ie. Organic, Inorganic, Physical or Analytical based on their projects.
3. The time allotted for each oral presentation is 12 min. (presentation) + 3 min. (discussion). Presentations should be made using Microsoft office Power Point only.
4. For poster presentation, poster should be of exactly 1m x 1m size.
5. Both poster and oral presentations should be strictly based on experimental investigations carried out by the student (and not by the guiding teacher) in the college under the supervision of guiding teacher. Presentations must contain at least 75% practical / experimental data, results and discussion.
6. Poster and oral presentations will be evaluated by external judges and prizes for three best oral and poster presentations will be awarded. All the participants will be issued certificates.
7. Last date to receive filled Registration Forms is **4th March, 2025**. The filled forms can be sent by post / in person / by e-mail (scanned copy). Registration Forms received after this date will not be entertained.
8. No registration fee will be charged from three students (who will be presenting) and one accompanying faculty member. Others ie. extra participants will be charged @ Rs. 200/- per student and Rs. 300/- per faculty member (Maximum 25 extra students & 3 extra faculty members from each college will be permitted to attend besides presenting team).
9. The names of the other extra participants along with registration fee should be sent latest by **4th March, 2025** to the convener. The amount may be paid in cash/cheque or by DD (preferably of SBI) in the name of "Chemistry Department Faculty & Alumni Association", Goa University, payable at Goa–University, Goa. **On-spot registration will not be entertained.**

Venue: School of Chemical Sciences, Goa University, Goa 403206 INDIA
Saturday, 8th March, 2025

List of Oral Presentations

Sr. No.	Name of Student	Name of College	Title of Oral Presentation
1	Riya Mayekar	DM's college and Research Center, Mapusa	La-doped ZnO/g-C ₃ N ₄ hybrid nanocomposites for enhanced photocatalytic degradation of crystal violet dye.
2	Ravina Velip	DPM's Shree Mallikarjun College, Canacona	Extraction and florescence study of pigments from indigenous plants
3	Addhya Sidharth Padiyar	P.E.S's Ravi S. Naik College of Arts and Science, Farmagudi, Ponda	Visual identification and categorization of microplastics from consumer and environmental samples
4	Simran Shaikh	St. Xavier's College, Mapusa	Sustainable pigments from indigenous Goan flora: A study
5	Mitali Narayan Bandodkar	Carmel College of Arts, Science and Commerce, Nuvem	Green synthesis of quinazolinone derivatives: A sustainable approach using eco-friendly catalysts

School of Chemical Sciences and Chemistry Department Faculty &
Alumni Association (CDFAA), Goa University

Saturday, 8th March, 2025

List of Poster presentations

Poster No.	Name of Student	Name of College	Title of Poster Presentation
1	Janavi Gaonkar	DPMs Shree Mallikarjun College	Photochemical extraction of curcuma longa and its applications
2	Ritusha Palyekar	St. Xavier's college, Mapusa	Study of various analytical instrumental techniques for detection, identification and quantification
3	Diya Naik	DMC college, Mapusa	Exploring the potential of varied heterocyclic scaffolds as antisticking agents
4	Nirjala Varak	Govt. College of Arts Science, and Commerce, Sanquelim	Studies in chemical transformation of natural products of Indian spices
5	Tanay Madkaikar	P.E.S's Ravi S. Naik College of Arts and Science, Farmagudi, Ponda	Chemical synthesis of high entropy materials
6	Shraddha P. Awasare	Govt. college of Arts, Science and commerce, Khandola	Water quality assessment of wells in North Goa
7	Sweanie Barbra Falcao	Carmel College of Arts, Science and Commerce, Nuvem	Fuel ratio in combustion synthesis: its effect on structural properties of Mn and Cd doped Ni-Co ferrites
8	Suhani Kunkolienkar	DCT's Dhempe College of Arts and Science, Miramar	Structural, optical, and catalytic properties of Cr-modified Sb ₂ O ₄ prepared via Sol-gel method
9	Jamira Mendonca	St. Xavier's college, Mapusa	Green synthesis of chalcones
10	Sanika Kedu Kolapte	Carmel College of Arts, Science and Commerce, Nuvem	Eco-friendly synthesis of quinazolinones: exploring green catalysts for sustainable chemistry
11	Melcy Mohan	P.E.S's Ravi S. Naik College of Arts and Science, Farmagudi, Ponda	Synthesis and enhanced photocatalytic application of surface decorated metal oxide composites
