Report on

Field trip to Cotigao Wildlife sanctuary on 15th and 16th February 2025

1. Title of the Event/Activity/program	Field trip to Cotigao Wildlife Sanctuary
2. Date and Time	15 th to 16 th February 2025
3. Mode of conduct (Physical/Online)	Physical
4. School/ Directorate/ Section	School of Earth, Ocean and Atmospheric Sciences
5. Collaborating Agency/School/Directorate	NA
6. Detail of the Resource Person (Brief biodata)	Mr. Deepak Bowalkar
7. Number of Faculty attended/participated	Dr. Nitin S. Sawant
8. Number of Student attended / participated	21 students (Part I & Part II)
9. No. of external students/faculty/other participants	Ms. Yogini Bhandodkar (Office Assistant SEOAS)
10. The objectives of the Program/activity/event	<p>The said field trip was proposed to conduct under the following courses vz. Ecology and Society (ENV-507), Introduction to Environmental Impact Assessment (ENV-514) & Environmental Impact Assessment I (ENV- 605).</p> <p>OBJECTIVES:</p> <ul style="list-style-type: none">• Understanding Ecosystem Dynamics.

	<ul style="list-style-type: none"> • Studying Human-Environment Interactions • Biodiversity Observation <p>Understanding EIA in different industries</p> <ul style="list-style-type: none"> • Conservation and Sustainability • Critical Thinking and Problem Solving • Experiential Learning:
11. Description of the Program/activity/event	<p>Students observed and analyzed how ecosystems function in natural settings, including interactions between species, energy flows, nutrient cycling, and biodiversity. Students could also explore how human activities, such as agriculture, urbanization, and conservation efforts, impact the environment and ecological processes. Students learned to identify flora and fauna. To provide students with practical experience in ecological research techniques, including data collection, sampling, and field analysis. Highlighting the importance of conservation practices, sustainable resource management, and the challenges of balancing ecological health with human development.</p> <p>To encourage students to think critically about EIA process in the different industrial system.</p>
12. Benefit/Key outcomes of the Program/activity/event	<p>Students got first hand information and got practical information in the field. Students got chance to immerse themselves in the environment they are studying, facilitating a deeper connection to the subject matter.</p>
13. Enclosures with report	<p>Photos enclosed</p>
