Report on Institutional Visit at School of Chemical Sciences, Goa University by
Faculties and Students of St. Xavier's, Mapusa - Goa

Faculties and Students of St. Xavier's College, Mapusa - Goa visited the School of Chemical Sciences (SCS), Goa University on 10th October 2024 at 14:30 hrs. A total of 71 under-graduate students and 5 teachers visited SCS. Assistant Professor Dr. Kedar U. Narvekar welcomed the students and the teachers and highlighted on a PowerPoint presentation the facilities, programs available at SCS and achievements of SCS. Faculties and the students of the visiting College were made aware of the Ph. D. opportunities at SCS, various funding agencies, Collaborative research, Material Characterization Laboratory, the CDFAA activities etc. during the discussion. The instrumentation facilities available at SCS were shown to the visiting students. MSc laboratory facilities, research labs and sophisticated instrumentation facilities like XRD, NMR, Raman, LC-MS, TGA, UV visible spectroscopy etc. available at SCS were also shown. Instrument in charge along with the other research scholars explained the instrumentation facilities to the students. Dr. Kedar U. Narvekar coordinated this visit.

Feedback/Remark:

The students enjoyed the tour of SCS and explanation given by the research scholars of the various instruments which otherwise they study only in theory.

Also, the guidance on the various courses available at SCS after the graduation degree shed some light in the minds of the students regarding the choices available.

The coordinating faculties Dr. Shikant Naik & Dr. Kedar Agrekar also were quite accommodating and encouraged the students to take up higher studies.

Overall was a well-appreciated educational visit for students & faculty.
