

Report of Institutional Visit by Ramnarayan Ruia Autonomous College

Ramnarayan Ruia Autonomous College, Mumbai, visited the School of Chemical Sciences (SCS), Goa University on 10th January 2025. Sixty-five undergraduate and post-graduate students and two teachers visited the school. Dr. Shrikant R. Naik welcomed the students and the teachers to the school. During the discussion, faculty and students of the visiting university were made aware of the Ph.D. opportunities at SCS, various funding agencies, Collaborative research, Material Characterization Laboratory, CDFAA activities, etc. The instrumentation facilities available at SCS were shown to the visiting students. MSc laboratory facilities, research labs, and sophisticated instrumentation facilities like NMR, BET, HPLC, UV visible spectroscopy, etc., available at SCS were also shown. The instrument in charge and other research scholars explained the instrumentation facilities to the students. Dr. Shrikant R. Naik coordinated this visit.

Feedback/Remark:

The visit was very well coordinated by the faculty members and the research scholars. The instrument incharge explained the working principle of each equipment visited, along with their application in chemical research. Overall it was a very informative and remarkable visit and we look forward to undertake more visits to IIT Bombay.
