REPORT
Two-day teacher training workshop titled
Chansons francophones comme outil pédagogique

The French Institute in India (IFI), a unit of the French Embassy in India, collaborated with Goa University, Cavilam-Alliance Française, and Alliance Française in Panjim to organize a two-day teacher-training workshop for French educators on February 27 and 28, 2025. The workshop featured Ms. Magali Delcombel, an expert trainer from Cavilam-Alliance Française, as the resource person.

The opening session commenced with a welcome address by Prof. Anuradha Wagle, Dean of the Shenoi Goembab School of Languages and Literature at Goa University. During the inaugural ceremony, Mr. Prash Palanimalai, Attaché for Cooperation in French Language (West India) at the French Institute in India, expressed gratitude towards Goa University for its ongoing support and collaboration in various initiatives organized by the French Embassy.

The objective of this workshop was to sensitize and equip teachers to utilize French songs from Francophone countries as a pedagogical tool to enhance French language instruction. The sessions concentrated on various methods of didactizing Francophone songs to teach essential elements of the French language, as well as aspects of culture and civilization.

The workshop concluded with the presentation of certificates of participation to all attendees. A total of 20 teachers registered for the event, with 18 actively participating.

The outcome of this collaborative event was significant; teachers learned to develop lesson plans incorporating Francophone songs to teach French grammar and engage with contemporary themes. This initiative enabled educators to create fun, interactive, and enriching classroom environments. The event was successfully coordinated by Mr. Anthony Gomes and Dr. Irene Silveira, Assistant Professors in the Discipline of French and Francophone Studies at Goa University.
